# About Avantika University

Avantika envisions creating agents of change by imparting in them a keen sense of social responsibility, analytical thinking and problem-solving skills. The University envisages a distinct learning environment where students are empowered to further apply their knowledge and skills to combat real-world challenges.

# MIT Group 37 Years of Legacy

- Established in 1983- The first engineering college in Maharashtra
- Presence across primary, secondary and tertiary education.
- Student Community represents cross section of India along with International
- 10+ Campuses in Maharashtra, Madhya-Pradesh and Meghalaya.

**70+**  
Institutions

**50,000+**  
Students

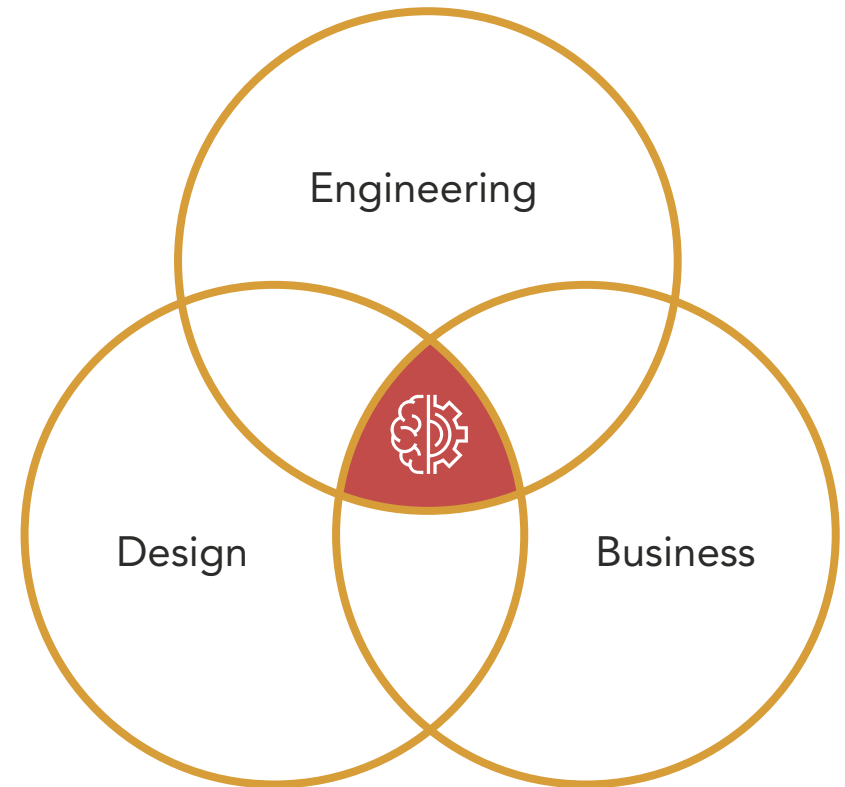

**3000+**  
Faculty

**100,000+**  
Alumni

# Learning Pedagogy

We are strong believers in the concept of **Designeering** = Design+Engineering, while also incorporating the business side of it to assist our students be future-ready.

- o Multidisciplinary approach
- o Integrative and Immersive learning
- o Liberal and creative approach
- o Project-based learning
- o Flipped classroom
- o Low student to faculty ratio

# Schools at Avantika University

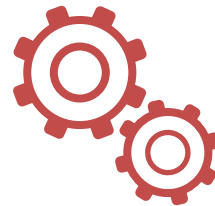

Bachelor's Program : 4 Years Program (1-year foundation program + 3 years of specialization)

Master's Program: 2 Years Program

## School of Design

- o User Experience Design
- o Industrial Design
- o Communication Design

## School of Engineering

- o Computer Science & Engineering
- o Mechanical Engineering

## School of Fashion Design

- o Fashion Design

# User Experience Design

(B.Des)

A unique program that aims to introduce and expose students to a digital environment, enabling them to design contextual and personalized experiences, with user-centered research at its core.

## Important Courses

At Avantika University, students specializing in User Experience Design are introduced to the foundational principles of UX Design and with the use of right technologies they create meaningful and relevant experiences and acquaint themselves with the rigorous demands of the industry.

- o User Research Tools
- o User-Centered Design
- o Ergonomics
- o Business Research
- o Information Design
- o Interaction Design
- o Visual Design
- o Typography
- o Usability Testing

# Subjects

User Experience Design

---

- o Introduction to User Experience Design
- o Basics of Psychology
- o Business Research
- o Design Project: Simple Design
- o Information Architecture
- o Design Project: Re-Design
- o Introduction to Coding
- o New Media Design
- o Entrepreneurship
- o Design Project: Inventive Design
- o Testing Design
- o Design Project: Field Project

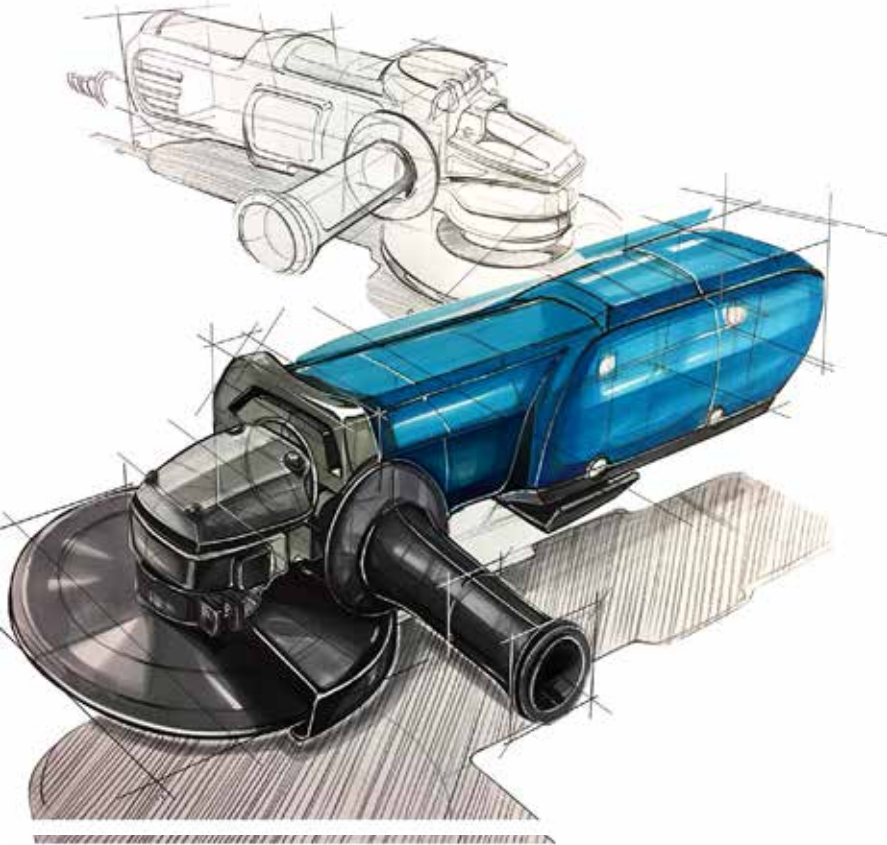

# Softwares Learnt

User Experience Design

---

- o Adobe XD
- o Adobe Illustrator
- o Adobe Photoshop
- o Sketch
- o Adobe After Effects

## Industrial Design

(B.Des and M.Des)

The Industrial Design program aims to equip and enable students to develop products and solutions through good design to solve real-world problems, with a core focus on human-centric design.

### Important Courses

At Avantika University, students of Industrial Design specialisation start with an observed need or an idea which is transformed through form, structure, color, material, texture, environment, and detailing to a digital and physical prototype. The outcome could be a product, an interaction, a space, or an experience which creates sustainable value and evokes a positive emotional response for the intended user.

- o Drawing/Rendering Skills
- o Creative Visualization and Thinking Techniques
- o Model making and Material Handling Skills
- o Form Development Techniques
- o Materials and Manufacturing Techniques
- o User Centered Approach
- o Ergonomics

# Subjects

Industrial Design

- Product Semantics
- Material and Form
- Typography and Branding Design
- Spatial Structures and Articulation
- Packaging Design
- Product Photography
- Advanced Manufacturing processes
- Entrepreneurship
- Design Methodology
- Design Research
- Human Machine Interface
- Design Management

# Softwares Learnt

Industrial Design

- Adobe InDesign
- Adobe Illustrator
- Adobe Photoshop
- Rhino
- Solidworks
- Keyshot

# Communication Design

(B.Des and M.Des)

An integrated program across different media which transcends visual expression and builds sensorial experiences. It creates new channels of communication and interfaces to address untapped needs for a positive change.

## Important Courses

At Avantika University students of Communication Design specialisation undergo a variety of courses with the right blend of traditional design theory and technology. Listed below are a few of the important courses for the Communication Design specialisation.

- o Typography
- o Branding
- o System Design
- o Information Visualisation
- o Packaging Design
- o Layout and Composition
- o Publication Design
- o Semiotics
- o Photography
- o Design Research
- o Social Communication
- o Design Management and Profession Studies

# Subjects

Communication Design

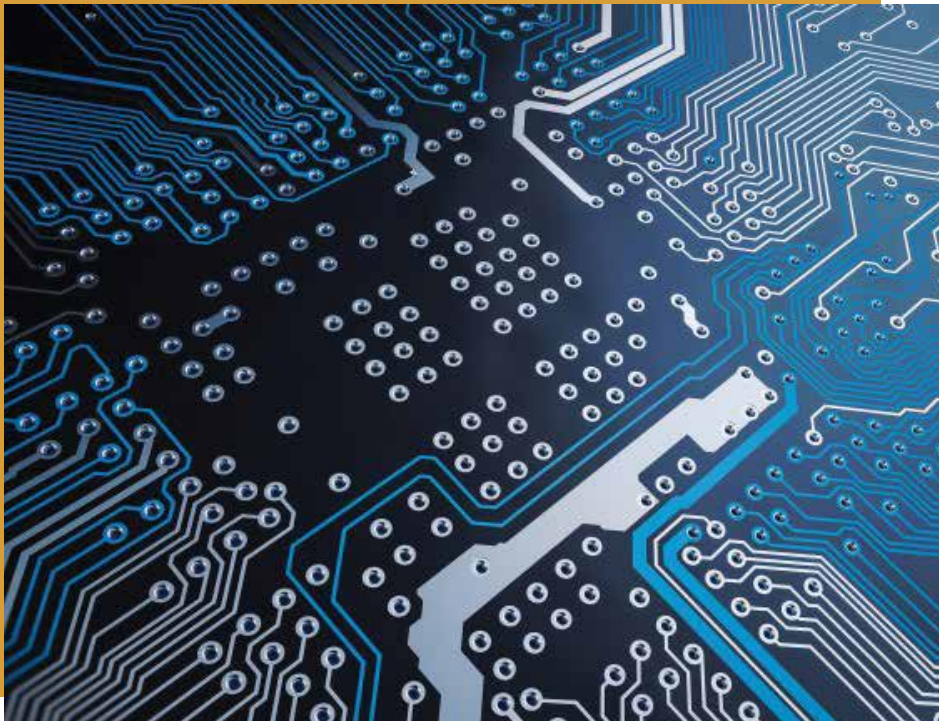

- o Communication Theory and Media Studies
- o Design Research
- o Introduction to User Experience Design
- o Design Project: Simple Design
- o Design Project: Advanced
- o Design Project: Re-Design
- o Design Project: Inventive Design
- o Digital Image-Making
- o Design Project: System
- o Design Project: Field
- o Design Project: Experimental
- o Entrepreneurship

# Softwares Learnt

Communication Design

- o Adobe InDesign
- o Adobe Illustrator
- o Adobe Photoshop
- o Adobe After Effects
- o Adobe Audition
- o Autodesk 3DS Max
- o Adobe Premiere Pro

# Computer Science & Engineering

(B.Tech)

The Computer Science program follows a design-centered philosophy, with an interdisciplinary curriculum and experiential learning at the core. The curriculum imbibes problem-solving, to meet the current and future needs of the technology era.

## Important Courses

At Avantika University, students of Computer Science specialisation apply the principles of engineering, computer architecture, software engineering and signal processing to understand and synthesize such systems. The engineering aspirants will combine creative and analytical skills to craft an idea into reality.

- o Artificial Intelligence
- o Cloud Computing
- o Machine Learning
- o Data Analytics
- o Engineering Computing
- o Internet of Things (IoT)
- o Cyber Security
- o Interaction Design
- o UI-UX Design
- o Computer Networks

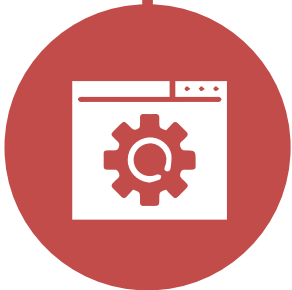

# Subjects

---

Computer Science & Engineering

- Engineering Mathematics
- Engineering Physics
- Business Research
- Principles of Engineering
- Data Structures
- Discrete Mathematics
- Computer Architecture
- UI Design
- Algorithms
- Introduction to User Experience Design
- Joy of Electronics
- Computer Graphics
- Operating System
- Object-Oriented Programming (C++)

# Technologies Learnt

---

Computer Science & Engineering

- JavaScript
- C++
- Python
- Wordpress
- MATLAB
- Linux
- Raspberry Pi
- CSS
- HTML
- PowerShell
- MySQL
- PHP

# General Electives

In addition to the core courses offered in every specialisation, students of Avantika University get to pursue a general elective out of a wide range of choices. These electives offer students across all specialisations to work together in a multi-disciplinary environment, honing their skills and exposing them to alternative disciplines and viewpoints.

- o Sustainable Design
- o Universal Design
- o Furniture Design
- o Automobile Accessory Design
- o Design with Natural Materials
- o Design for Six Sigma
- o Narratives and Storytelling
- o Exhibition Design
- o Social Communication
- o Environmental Graphics
- o Immersive Media Design
- o Game Design
- o Artificial Intelligence Foundation
- o Machine Learning Foundation
- o Data Analytics Foundation
- o Electric Vehicles
- o Digital Product Design

# Master's Program

---

The Master's program at Avantika is based on a design-centered curriculum with a philosophy of interdisciplinary education. The curriculum, along with a major field of specialization, is complemented with the flavour of a minor. The major provides in-depth domain knowledge while the introduction of minors will provide an opportunity for cross-disciplinary learning.

An industry internship and a capstone project is an essential module to cap the integrated experience.

Avantika offers 2-year, residential programs in the domain of Design with different specializations.

- o Master of Design (M.Des)- **Communication Design**
- o Master of Design (M.Des)- **Industrial Design**

# Internship and Placements

---

*and many more.....*

# Achievements

Sahil Jain selected as a part of the **Young Designers Circle** core team of **WDO**

Avantika University wins 1st place **NASSCOM Design4India Awards** 2019 Immersive Design category

Soham Mohanty adjudged winner of the **Lexus Design Awards** 2020 in the Conceptual Category

Avantika University wins 2nd place **YUJ UXplorer Design Awards** 2019

**Ferona Fashion Night** the first androgynous fashion show in India as a collaboration between our fashion students and models from the LGBTQ community

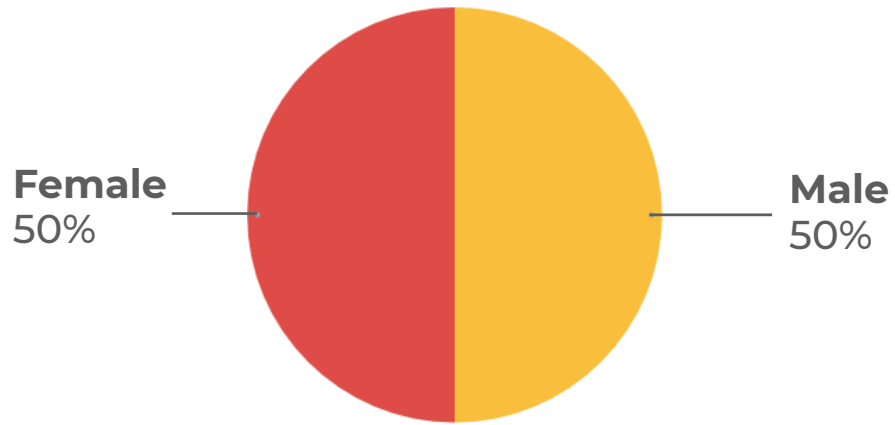

Head to our Behance profile <https://www.behance.net/avantikauni> to view our students' work!

# B.DES USER EXPERIENCE DESIGN

---

ALL THE 'PORTFOLIO LINKS' ARE HYPERLINKED

# Avi Choukhany

B.DES USER EXPERIENCE DESIGN

## Portfolio

<https://www.behance.net/avichoukhany>

## Internship

upGrad, Mumbai

- Worked on web redesigning, introduced brand visual identity and did extensive UX research.

# Chinmay Garg

B.DES USER EXPERIENCE DESIGN

## Portfolio

<https://www.behance.net/ChinmayGarg>

## Internship

Cynexis, Indore

- Building the information architecture and wireframes from scratch for the client in the gym sector.

# Dipanshu Singhall

B.DES USER EXPERIENCE DESIGN

## Portfolio

<https://www.behance.net/dipanshusinghall>

## Internship

upGrad, Mumbai

- Re-blog representations with appropriate research, identifying Pain points, identifying personas, redesigning blog layout, worked on information hierarchy.
- Branding Visual Identity (Did research and created brand guide)

## Professional Achievements

Featured in Mans World Magazine, August 2020 Issue.

# Divya Ray

B.DES USER EXPERIENCE DESIGN

## Portfolio

<https://www.behance.net/raydivya75263>

## Internship

CaratLane- A Tanishq Partnership, Mumbai

- Worked with different design teams for creating an effective and timeless store and online experience.
- Worked as a UX researcher where I got an opportunity to conduct various interviews and mapped out the insights which helped me in building an effective experience.

# Harshit Karir

B.DES USER EXPERIENCE DESIGN

## Portfolio

<https://www.behance.net/karirharsh3732>

## Internship

Indigo Consulting, Mumbai

- Worked on multiple PWA [web applications] regarding NEO banking for post-COVID environment
- Worked on 10+ client-based projects which involved user research, building strategies and creating prototypes
- Designed UI for multiple platforms

# Hetvi M. Shah

B.DES USER EXPERIENCE DESIGN

## Portfolio

<https://www.behance.net/hetvimahes0539>

## Internship

Indigo Consulting, Mumbai

- Successfully worked on 15+ client-based projects which involved user research, building strategies and creating prototypes.

## Professional Achievements

- Lexus Design Award India 2020-Finalist for project BloodXS.
- NASSCOM - Design4India 2018- Finalist for project BloodXS.

# Sahil Jain

B.DES USER EXPERIENCE DESIGN

## Portfolio

<https://www.behance.net/sahiljainn>

## Internship

Reliance Jio, Mumbai

- I was a part of the JioFiber team and worked on JioPhone, JioSTB and JioAppStore projects.
- I was also responsible for co-designing the JioDevelopers website and Hamleys website for Reliance Brands.

## Professional Achievements

Representing India in the World Design Organization (WDO)™ for Young Designer's Circle.

# Sanika Patwardhan

B.DES USER EXPERIENCE DESIGN

## Portfolio

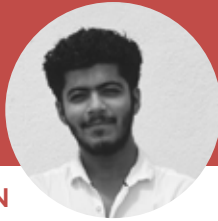

<https://www.behance.net/sanikapatwardhan0799>

## Internship

Connexis Technologies, Pune

- I got to work on various domains such as healthcare analytics, dashboard UI design for Bennett and Coleman Group (Times of India Group).
- Branding and website design for Cloud Authority.
- Worked for my major project on Fitness Analytics Application for which I got to work on User research, Information Architecture and Wireframing.

# Tanishq Dalvi

B.DES USER EXPERIENCE DESIGN

## Portfolio

<https://www.behance.net/tanishqdalvi>

## Internship

The Minimalist, Mumbai

- Designed the architecture and wireframes of the websites from the scratch under the domains of finance and health-tech (voice-control)
- Designed the visual interface and icons for the health-tech (voice-control) product website.

# Tanvi Joshi

B.DES USER EXPERIENCE DESIGN

## Portfolio

<https://www.behance.net/tanvijoshi1599>

## Internship

The Minimalist, Mumbai

- Responsive design of the websites for companies in fintech and voice technology industries.
- Consistent one on one communication for presentation and feedback on designs with the client.

## Professional Achievements

- Attendee & College Representative at Israel EdTech Summit 2018

---

# B.DES INDUSTRIAL DESIGN

---

ALL THE 'PORTFOLIO LINKS' ARE HYPERLINKED

# Aishwarya Chawla

B.DES INDUSTRIAL DESIGN

## Portfolio

<https://www.behance.net/aishwaryac782e>

## Internship

Connexis Technologies, Pune (UI/UX intern)

- Healthcare application
- Dashboards for Bennette Coleman
- Rebranding, and website design for cloud authority and fitness IoT platform where I enhanced the user experience by evaluating, wireframing, and prototyping.

# Aman Soni

B.DES INDUSTRIAL DESIGN

## Portfolio

<https://www.behance.net/asoni3008>

## Internship

Indigo Consulting, Mumbai (User Experience Intern)

- Worked on enhancing the digital experience of several foreign fin-tech brands.
- Reviewing and supplemented the online buying experience for top Indian e-commerce and pharmaceutical companies.

# Apoorva Balasundaram

B.DES INDUSTRIAL DESIGN

## Portfolio

<https://www.behance.net/apoorvaab>

## Internship

Rural Handmade, London

- Commissioning design ideas for work from home-based furniture.
- To write a technical paper on Design for Sustainability- exploring different trends using sustainable materials in the handmade industry.

## Professional Achievements

- Art installation at Kala Ghoda Art Festival- 2020 (Group Project)

# Atharva Pardeshi

B.DES INDUSTRIAL DESIGN

## Portfolio

<https://www.behance.net/atharvades9bba>

## Internship

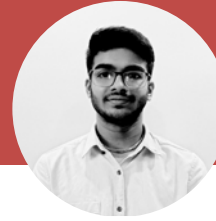

Touchmagix Media Pvt. Ltd. , Pune

- Created 20+ arcade game concepts including floor games which are ready for prototyping, will be in the market soon.

## Professional Achievements

- 2nd prize in a scrap art competition by Ujjain Municipal Corporation.
- Achieved Madhyama Purna Certification as a Tabla Player.

# Balgovind Shanbhag

B.DES INDUSTRIAL DESIGN

## Portfolio

<https://www.behance.net/balgovindshanbhag>

## Internship

Salt.pe, Bangalore

- Worked on the app and website of Salt.pe.
- Below mentioned points have been covered for app and website -
  - Design language
  - User onboarding
  - Organization onboarding
  - Payments
  - Receipt and delivery
  - Card manager

## Professional Achievements

Silver Winner-UXplorer, YUJ Designs 2019

# Deven Kale

B.DES INDUSTRIAL DESIGN

## Portfolio

<https://www.behance.net/devenkale99>

## Internship

LIGHT-FiSH Design Studio, Auroville.

- Worked on designing customizable lifestyle products, from ideations to manufacturing details.

## Professional Achievements

Won DSKIC National Design Olympiad 2016 (senior-category)

# Divya Gupta

B.DES INDUSTRIAL DESIGN

## Portfolio

<https://www.behance.net/divyagupta29>

## Internship

Campaigntocash, Canada.

- The tasks included creating website, graphical and social media assets for the company as well as it's clients.
- The major project was to build an Influencer Marketing platform for the company's existing application which resonates the brand language of the company.

# Gaurang Agarwal

B.DES INDUSTRIAL DESIGN

## Portfolio

[http://www.behance.net/gaurang\\_agarwal](http://www.behance.net/gaurang_agarwal)

## Internship

KABBISH, Jaipur

- Handling the digital marketing and work behind uploading products on the website.

## Professional Achievements

Delegate of ALGERIA in IMUN Online Conference 4.0 - MAY 9th- 10th, 2020.

# Gauri Singh

B.DES INDUSTRIAL DESIGN

## Portfolio

<https://www.behance.net/gaurisingh05>

## Internship

Illumnus- May 2020 to August 2020.

- User research
- Optimizing existing user interface
- Designed and implemented new user interface

# Himanka Kalita

B.DES INDUSTRIAL DESIGN

## Portfolio

<https://www.behance.net/himankakalita>

## Internship

ShopX - 10i commerce services, Bangalore

- Consumer-grade UV product - UX research & analysis, CAD, Marketing (collateral)
- Industrial grade UV product range - R&D (manufacturing), CAD development
- 5+ minor projects - Digital prototyping & visual communication.

## Professional Achievements

Winner - National graphics championship (2011)  
Runner up - Toastmasters International speech contest, Area A4, (2018)

# Hritik Ramsinghani

B.DES INDUSTRIAL DESIGN

## Portfolio

<https://www.behance.net/hrdesignsb3c7b>

## Internship

Talkd, Pune

- To do the heuristic evaluation for the upcoming projects.
- Understand client requirements to design thoughtful experiences for digital products and services website, dashboard, chatbot, kiosks, and car clusters.
- I have worked on 4 Live projects from start to end.

# Janhavi Kedar

B.DES INDUSTRIAL DESIGN

## Portfolio

<https://www.behance.net/janhavia>

## Internship

Seven11 Designs, Thane

- Was exposed to design a variety of products.

# Krati Agrawal

B.DES INDUSTRIAL DESIGN

## Portfolio

<https://www.behance.net/kratiagrawal9899>

## Internship

Sattvarise Technologies, Pune.

- Was responsible for creating an AR-based educational game for age group 4-12 that teaches children Indian geography.

# Krithik Prabhakar

B.DES INDUSTRIAL DESIGN

## Portfolio

<https://www.behance.net/krithikprabhak>

## Internship

Emote Electrics, Coimbatore

- Task was to redesign the front-end of their website and improve the user experience.
- Was also required to design the TFT display of the bike from scratch and enhance the navigation of the display.

## Professional Achievements

UMC Scrap-art Competition Oct 2018 (1st Runner-up)  
Kala Ghoda Art Installation Feb 2020

# Kshitij Gangurde

B.DES INDUSTRIAL DESIGN

## Portfolio

<https://www.behance.net/kshitijgangurde2904>

## Internship

Rural Handmade, London

- Designed concepts for lifestyle products, office products, and tech accessory products using some handicraft techniques.
- Also, generated a research paper on improving techniques in various handicrafts (Paper is yet to be published).

# Kshitij Kalia

B.DES INDUSTRIAL DESIGN

## Portfolio

<https://www.behance.net/kaliaa0220>

## Internship

Escorts Ltd, Faridabad

- My 3 month internship at Escorts Ltd was a research based project.
- I gained knowledge about mechanical components used in tractors such as Hydraulics and Radiators and did Market analysis for the same.

# Manasi Parulekar

B.DES INDUSTRIAL DESIGN

## Portfolio

<https://www.behance.net/manasi20699>

## Internship

Salt.pe, Bangalore

- Was responsible for creating social media campaigns, blog infographics, paid campaigns and content building.

# Mansi Gupta

B.DES INDUSTRIAL DESIGN

## Portfolio

<https://www.behance.net/Mansiguptaf661>

## Internship

Indigo Consulting, Mumbai.

- My role was to enhance the user experience of leading private sector fintech and E-Commerce websites.
- By auditing, evaluating, wireframing, and prototyping in collaboration with the UX team.

# Mayuresh Gade

B.DES INDUSTRIAL DESIGN

## Portfolio

<http://be.net/mayureshgade36>

## Internship

Rural Handmade, London

- Worked & wrote a research paper on the topic "Identifying various Digital Methods that can be used as a platform for Rural Artisans".
- Also worked on commissioning new product designs.

# Mrunmayi Joshi

B.DES INDUSTRIAL DESIGN

## Portfolio

<https://www.behance.net/mrunmayijoshi>

## Internship

Indigo Consulting, (Publicis Group), Mumbai

- My tasks were to collaborate with the UX team and enhance digital experiences for multiple fin-tech, pharmaceutical as well as entertainment brands.
- One of the fin-tech projects, for a leading Indian brand, was built from scratch.

## Professional Achievements

Kala Ghoda Art Installation Feb 2020

# P Unnyan Kumar

B.DES INDUSTRIAL DESIGN

## Portfolio

<https://www.unnyan.com/>

## Internship

TEQZO Consulting, Bangalore

- Had an opportunity to work on the Clicksie project (client-based of Seattle, USA) with the TEQZO team.
- Worked on multiple industry live projects which included various market research, design strategy for product development and concept creation under the guidance of Shanavas MS (Director of TEQZO).

## Professional Achievements

Winner of 'Smart bag project' under ShopX  
Team lead of 'The Q'

# Palash Bakre

B.DES INDUSTRIAL DESIGN

## Portfolio

<https://www.behance.net/palashbakre>

## Internship

Odisha Design Council (ODC), Odisha

- I was responsible to design and ideate systematic packaging solutions for handicrafts produced in Odisha state.
- I was also required to conceptualize a new possible design for cyclone-resistant houses based on extensive research and analysis.

## Professional Achievements

UMC Scrap-art Competition Oct 2018 (1st Runner-up)  
Kala Ghoda Art Installation Feb 2020

# Parth Bhavsar

B.DES INDUSTRIAL DESIGN

## Portfolio

<https://www.behance.net/parthbhavsar1>

## Internship

Mindmap, Hyderabad

- Graphic Designing
- Web Designing and Bot design for Mindmap
- Information Analysis and Refining.
- Video editing and storytelling.

# Payal Sharma

B.DES INDUSTRIAL DESIGN

## Portfolio

<https://www.behance.net/gallery/87963593/Portfolio>

## Internship

Talkd, Pune

- Worked on multiple live UI/UX projects.

## Professional Achievements

Dean's list Fall'17 and Spring'18 for outstanding academic achievement at Arizona State University

# Piyush Agrawal

B.DES INDUSTRIAL DESIGN

## Portfolio

<https://www.behance.net/piyushagrawal1>

## Internship

Grau Bär Design Studio, Indore

- Jewellery structural packaging design
- KLD design
- Manufacturing & Branding

# Praduman Joshi

B.DES INDUSTRIAL DESIGN

## Portfolio

<https://www.behance.net/pradumanma4c02>

## Internship

Bigbasket, Bangalore

- Rethought their entire UI and created a Design system for the bbinstant app.

## Professional Achievements

- Kala Ghoda Art Installation Feb 2020

# Prateek Jain

B.DES INDUSTRIAL DESIGN

## Portfolio

<https://www.behance.net/prateekjain298>

## Internship

DesignFlyover Studio, Powai, Mumbai.

- Responsible for designing a 'Compressible UV Disinfection Bag' from scratch
- User analysis
- Concept generation
- CAD modelling

# R. Abhishek

B.DES INDUSTRIAL DESIGN

## Portfolio

<https://www.behance.net/RAbhishek>

## Internship

Hvantage Technologies, Indore

- I worked in phone app UI design, website UI, Digital marketing (still creatives & videos) for Social media.
- CAD modelling for their products.
- Packaging for products.
- Brochure designs for their products.

# Radhika Goyal

B.DES INDUSTRIAL DESIGN

## Portfolio

<https://www.behance.net/radhikagoyal2>

## Internship

Design pulse, Indore

- Researched on COVID-19 pandemic and then designed few products related to it.
- Designed a DIY or a product on the topic gardening.
- Carried out desk research for the products which are still in demand during COVID-19.

# Rohan Goje

B.DES INDUSTRIAL DESIGN

## Portfolio

<https://www.behance.net/rohangoje17>

## Internship

Sattvarise Technologies, Pune

- I was responsible for creating an AR based educational card game for children from age group 4-12 years.
- The game was based on Indian Geography.

# Shantanu Thorat

B.DES INDUSTRIAL DESIGN

## Portfolio

[https://www.behance.net/shantanu\\_thorat](https://www.behance.net/shantanu_thorat)

## Internship

Teqzo Consulting, Bangalore

- Worked on 4 live product and application projects.
- Design research, ideation and mapping.
- Extensive sketching and concept development.
- The design strategy and the overall development of a product including specifics, personas, and UX of the product and application.

## Professional Achievements

Silver Winner- UXplorer, YUJ Designs 2019

# Shreya Paliwal

B.DES INDUSTRIAL DESIGN

## Portfolio

<https://www.behance.net/shreyapaliwal>

## Internship

Grau Bär Design Studio, Indore

- The project focused on Designing Packaging for jewellery
- It included Primary, Secondary and Family of packaging followed by creating dieline template, tiling, product detailing and enhancing overall experience for the same.

# Soham Mohanty

B.DES INDUSTRIAL DESIGN

## Portfolio

<https://www.behance.net/sohammohanty>

## Internship

Bigbasket, Bangalore

- Assisted in designing the system for BBd and BB app, at Bigbasket

## Professional Achievements

- Winner - Lexus Design Awards India 2020
- Silver winner- YUJ Uxplorer 2019
- Runners up - best out of waste by UMC
- Rajyapuraskar - Governor of odisha

# Swarali Hindlekar

B.DES INDUSTRIAL DESIGN

## Portfolio

<https://www.behance.net/swarali-hindlekar>

## Internship

Indigo Consulting, Mumbai

- Had the opportunity to work on financial, pharmaceutical, legal, and entertainment sector projects.

## Professional Achievements

- Kala Ghoda Art Installation Feb 2020
- Ambassador of Young Designers Circle, a World Design Organization initiative.

# Tanvi Kulkarni

B.DES INDUSTRIAL DESIGN

## Portfolio

<https://www.behance.net/tanvi20kulkarni>

## Internship

BigBasket, Bangalore

- My role was to conduct design research and analysis.
- To ideate, wireframe, concept development, user interface guidelines and design system building.

# Vaibhav Sharma

B.DES INDUSTRIAL DESIGN

## Portfolio

<https://www.behance.net/vaibhavsharma2311>

## Internship

Indigo consulting, Mumbai

- My projects included gathering user requirements, designing graphic elements and building navigation components.

# Vineet Vishwakarma

**B.DES INDUSTRIAL DESIGN**

## Portfolio

<https://www.behance.net/vineetvishwak>

## Internship

Indigo Consulting - Digital Marketing Agency, Mumbai

- Worked on multiple projects which included tasks like user research, interface analysis, creating wireframes for website, mobile and application interfaces.

## Professional Achievements

- Kala Ghoda Art Installation Feb 2020

# Vishnu Ravi

**B.DES INDUSTRIAL DESIGN**

## Portfolio

<https://www.behance.net/vishnukr1>

## Internship

Rajiv Gandhi Center for Biotechnology, Trivandrum

- Designed HMI for industrial pilot machinery which was also proposed to Scigenics India.
- I was assigned to design and prototype power cutoff devices and also to assist the team in setting up product tests for UV Sterilizers.

# Yashaskar Narumanchi

**B.DES INDUSTRIAL DESIGN**

## Portfolio

<https://www.behance.net/yashaskar>

## Internship

Design Pulse, Indore

- Conducted market research on products and market segments that would grow after Covid-19.
- Conducted market research on kid's toys and what would the market share of toys be like after Covid-19.
- Developed a D.I.Y toy kit for kids of age 14 years and above mostly using bamboo.
