10 Year in Retrospect

Prasheel Suryawanshi

Vice Chancellor

It has been a challenging past year and it has been all about reinventing and improvising the ecosystem, introducing new elements, and strengthening the wholesomeness of Avantika.

The university commenced with an Orientation Program for the fourth batch of cohorts in July 2020. Since then, life at Avantika has been full of exploration, experimentation, experience, and energy. The university hosts 483 resident students in diverse specialisations of programs like BDes, MDes, and BTech. The faculty strength currently touches 33, who were supported with 7 other design and engineering faculties who bid their goodbyes at the end of the session. The university invited 30 experts from varied backgrounds as visiting faculties to bring in a different perspective and address specialized areas.

The university from day one is geared towards bringing industry perspective and exposure in academics. A total of 61 industry connect sessions were organized virtually by hosting industry professionals from diverse backgrounds to share their experience, conduct sessions, and workshops. The students benefited by getting a look at the industry best practices and learned directly from the domain experts.

The university continued the strategic partnerships with 9 global universities, 3 industry organizations, 6 academic alliances, and 10 professional bodies for enriching the curriculum, research and exchange opportunities, and administrative endeavors. The key additions in the past year are Cumulus, Harappa, and AIESEC.

In 2020, the key highlights were the launch of the Avantika Digital and the Canvas Platform to simplify teaching, elevate learning, and increase student engagement. In recognition of the best practices in making technology more integral to learning environments, rapid transition to online learning, and digital learning excellence, the university was awarded E-LEAD (E-Learning Excellence for Academic Digitisation) certification by the QS I-GAUGE India. The other key addition was the Life Skills Program with Harappa for the Foundation Year students intending to refine and master five crucial habits of Think, Solve, Communicate, Collaborate, and Lead.

Our students continued to enjoy remarkable success in a wide range of regional, national, and international competitions in the past year. The significant achievements were at Amazon's #ToyathonChallenge2020, Microsoft Design Challenge 2020, Google Developer Student Clubs WOW 2020, HeroCoLabs Global Design Challenge 2021, and Toy Design Challenge at The India Toy Fair 2021.

It is worthwhile to mention that 100% of the students completed their Summer Internships and a cumulative 70% of the final year students completed their Capstone Projects with the industry.

A significant number of students to the tune of 70% accepted the placement offers. The key companies included IBM iX, OLX, BCG, Cognizant, Extentia, Frog Design, YUJ Designs to name just a few. These numbers testify the university's vision of Designeering education coming to fruition.

As a part of our outreach initiatives, the university initiated 7 webinars of Avantika Interact, 53 podcasts of Avantika Designeering Series, and 5 issues of WEAVE Magazine. These initiatives crafted a platform for connecting with the design and engineering fraternity to discuss the innovations that the blend of design and technology has delivered to the world. The university was also invited to showcase at Sarthak EduVision 2021 in Bhopal and received a great response from industry professionals, academicians, and the student community.

As the long-range planning enters into the next stage, the university introduced a Strategic Plan, Avantika NEXT : 2021-24 to ensure its continuity to remain relevant, inventive, and challenging in transitional times and make significant contributions through its academic and research excellence. The university further plans on extending its offerings in the coming year with the introduction of multiple programs in various specializations.

We are committed and inspired to provide world-class exposure to our students and develop them as empathizing industry and society ready professionals.

The Spirit of Avantika

Design at Avantika is an active verb and not a passive noun

The spirit is embedded across all disciplines at Avantika. Design centric learning at Avantika starts with engaging the learners to confront challenges. The learners will solve these challenges through analysis, reflection, ideation, synthesis, prototyping, and testing the impact. As the academic program progresses, these challenges change in terms of their scale, complexity, and ambiguity involved. Learners invest energy, time, and effort into these tasks. This approach leads them to ask questions and seek answers by reflection, collaboration, and interaction. The faculty members act as facilitators and collaborators in this endeavour. Learning at Avantika is just-in-time and not just-in-case.

Vision

Avantika aims to nurture and cultivate young minds who will serve as enlightened citizens, bringing a positive change in the society.

Core Features

#Designeering

- Spirit of design, innovation, and enterprise
- Liberal and creative approach to education
- Interdisciplinary, integrative, and immersive learning
- Foster critical, lateral and analytical thinking
- Harbor intellectual and practical dexterity - Skillset and Mindset
- Project and problem-based learning
- Focus on how to learn and not what to learn
- Promote independent thinking and intellectual boldness
- Qualitative, relevant, and contemporary education
- Sensitivity and alertness as world citizens

Values

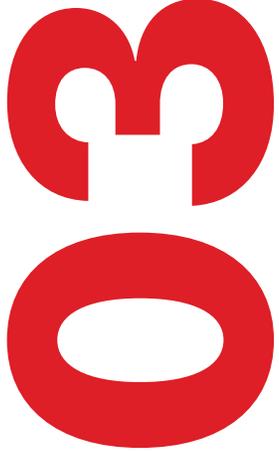

#Create, Change, Transform

- Freedom of Thinking
- Academic Rigor and Excellence
- Integrity and Diligence
- Collaboration over Competition
- Individuality, Diversity, and Universality
- Social and Moral responsibility

Objectives

- To be a leader in the field of higher education, aiding growth in frontier areas of national importance.
- To be a Center of Excellence in Design, Innovation, Research, and Development.
- To be a Finishing School with Extension, Outreach, and Community programs for various strata of society.
- To identify local, regional, national, and global needs, and promote academic growth by offering undergraduate, postgraduate, and doctoral programs in varied disciplines.
- To inculcate and promote the spirit and culture of design, innovation, enterprise, leadership, tolerance, and camaraderie amongst all concerned.
- To create a positive environment, complemented by adequate facilities and resources in which, students and faculty pursue their ideas with rigor and integrity.

- To develop a participatory learning model, that is innovative and enjoyable while being meticulous and comprehensive at the same time.
- To recruit and retain excellent faculty from around the globe and provide inclusive teaching at all levels; to transform students into winning personalities and complete human beings.
- To produce graduates who are adaptable and alert to the benefits of lifelong learning and who meet the requirements of employers at local, national, and international levels across varied sectors.
- To enhance interaction and cooperation between researchers for interdisciplinary and multidisciplinary work; by forging academic and research collaborations with national and international universities, governments, and industries.
- To establish links with various R&D organizations and funding agencies for sponsored and contract research in frontier areas of science and engineering.
- To strengthen the industry-institute interface through training, academic projects, sponsored projects, and collaborative research with industry.
- To promote extension, outreach, and field programs in industrial, educational, and socially relevant areas, for students and the community at large.

Academics

*“Education
starts with **Observation**
evolves with **Comprehension**
and ends with **Innovation**”*

Academic Programs

Avantika University offers three academic programs, namely, Bachelor of Design, Master of Design, and Bachelor of Technology.

The academic programs are based on an interdisciplinary curriculum with a philosophy of design-centered education.

Students on Roll

Foundation Year

● Bachelor of Design	101
● Bachelor of Design (Fashion Design)	08
● Master of Design	34
● Bachelor of Technology	14

Second Year

● Bachelor of Design	92
● Bachelor of Technology	21

Third Year

● Bachelor of Design	83
● Bachelor of Technology	09

Final Year

● Bachelor of Design	86
● Master of Design	13
● Bachelor of Technology	22

BTech

● Foundation	14
● Computer Science and Engineering	49
● Mechanical Engineering	03

School of Design

Sukanta Kundu

Dean - School of Design

The School of Design was led by Prof. Sukanta Kundu as the Dean and offered BDes and MDes in the 2020-21 session. The specializations in BDes were Industrial Design, Communication Design, and User Experience Design, Fashion Design and in MDes were Industrial Design and Communication Design. There were a total of 92 design students in the second year of BDes program who further chose their specializations to segregate as 32 students in Industrial Design, 39 in Communication Design, 15 in User Experience Design, and 6 in Fashion Design. In the academic year 2020-21, a total of 109 students joined the School of Design for the Foundation Year, and a total of 34 students joined in MDes who further segregated as 14 in Industrial Design, and 20 in Communication Design.

The academic courses were delivered by 22 faculty members with diverse specialization and experience. The school maintained a healthy faculty to student ratio at 1:18 and is continuously making efforts to further expand its firepower. A total of 26 visiting faculties were invited to contribute to the courses and bring a different perspective. They were invited to take lectures in the field of Ergonomics, Photography,

Information Visualization, Design for Sustainability, Design Management and Professional Practice.

Students were indulged in many co-curricular activities and attended a total number of 61 industry connect sessions and workshops. These were conducted every week at the campus, and industry experts from various domains were invited to share their experience and knowledge. The significant achievements were 2nd Prize at Amazon's #ToyathonChallenge2020, Runner-up at Microsoft Design Challenge 2020, 2nd Runner-up at HeroCoLabs Global Design Challenge 2021, 3rd Prize at Toy Design Challenge (The India Toy Fair 2021), and nomination to Cumulus Association.

The students presented their work in every semester to a jury comprising of external experts and regular faculty. A total of 8 external experts were involved in the assessment and feedback. The school was privileged to host eminent designers like Jamila Varawala, Sabyasachi Kundu, Tripti Singh, etc. in the jury. The feedback received from the external experts has been encouraging and guiding at the same time.

School of Engineering

Prasheel Suryawanshi

Dean - School of Engineering

The School of Engineering was led by Dr. Prasheel Suryawanshi who took on the charge in addition to the seat of the Vice Chancellor. A program in BTech with specialization in Computer Science and Engineering was offered in the 2020-21 session. The school had a small cohort of 66 students with 63 in Computer Science and Engineering, and 3 in Mechanical Engineering. A total of 14 students joined the School of Engineering for the Foundation in the academic year 2020-21. The size of the cohort was intentionally kept small to propagate a new way of learning in engineering education.

The academic courses were delivered by 10 faculty members with diverse specialization and experience. The school maintained a healthy faculty to student ratio at 1:7 and is continuously making efforts to further expand its firepower. 5 visiting faculties were invited to contribute to the courses and bring a different perspective. They were invited to take lectures in the field of Data Analytics, Object Oriented Programming, UI Design, and Design Project - Mobile Application.

Students were indulged in many co-curricular activities and attended a total number of 61 industry connect sessions and workshops. These were conducted every week at the campus, and industry experts from various domains were invited to share their experience and knowledge. In the past year, the significant achievements were 2nd Runners-up at CodeOffDuty Hackathon at Google Developer Student Clubs WOW 2020 and the selection for Google Developer Student Club Lead.

The students presented their work in every semester to a jury comprising of external experts and regular faculty. A total of 8 external experts were involved in the assessment and feedback. The school was privileged to host eminent engineers like Anand Kolharkar, Kedar Puranik, Krishnakant Dhakar, etc. in the jury. The feedback received from the external experts has been encouraging and guiding at the same time.

Student Work

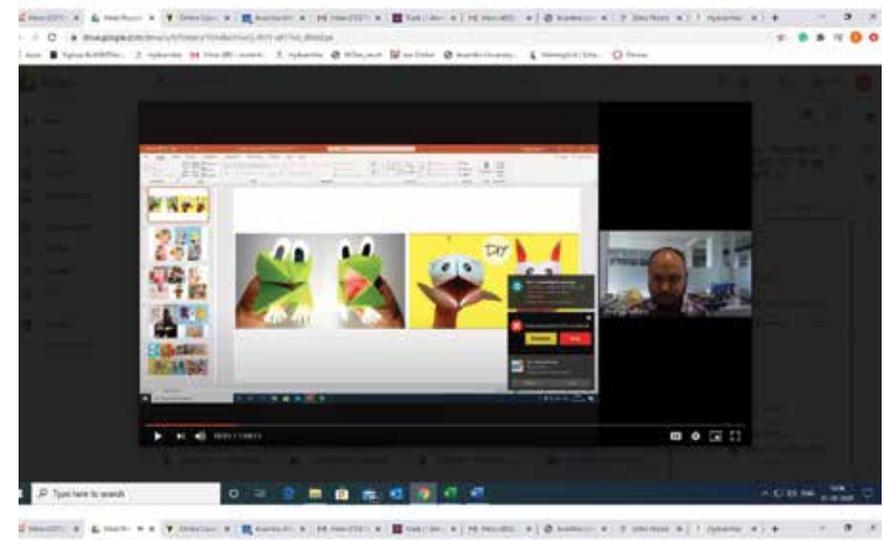

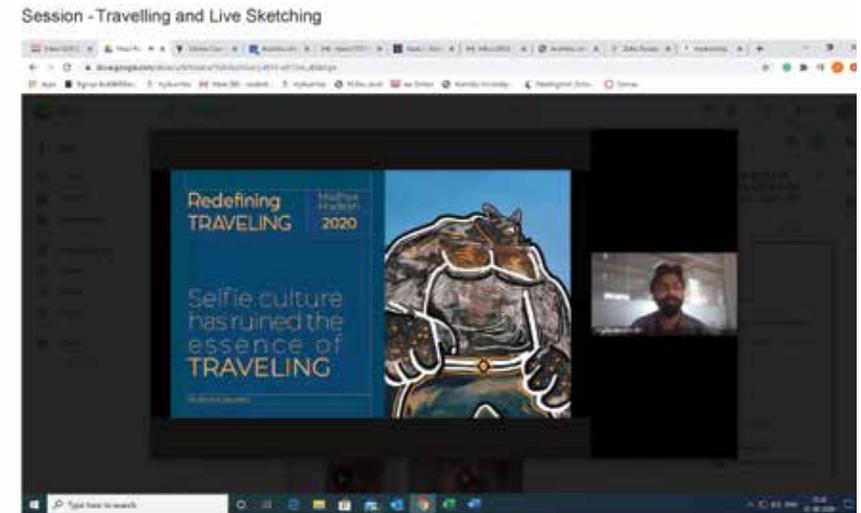

Significant Activities

*“Excellence
is not an objective,
it is the way of life
at Avantika”*

Orientation Program

The university organized the Orientation Program to welcome and orient new students (of the fourth batch) to Avantika. This year, the Orientation Program for Design and Engineering students happened on 15th July 2020 and 2nd November 2020, respectively, in the digital mode.

The week-long orientation program aimed at introducing the students to the overall ethos of the university, their mentors, faculties, and admin section heads. A bunch of activities were conducted throughout the week like introductory gatherings, orientation to Life Skills, exploratory tours to Ujjain city, informative discussions, creative activities and workshops, talent and cultural program, and concluded with the online student verification. The orientation week proved to be an adrenalizing start for the Foundation Year students ensuring a seamless transition while instilling a sense of belonging at the university.

Launch of Avantika Digital

As an initiative to make technology more integral to the learning environment, the university announced Avantika Digital on 13th July 2020.

The university adopted Canvas as the Learning Management Platform to simplify teaching, elevate learning, and increase student engagement. Christopher Bradman, GM APAC, Instructure officially launched Canvas as the Learning Management Platform for the university. The Canvas Platform consists of a SaaS learning environment (Canvas LMS), video learning platform (Canvas Studio), and ePortfolio (Portfolium).

The launch was followed by a panel discussion on Technology in Education Delivery. The deliberations revolved around the benefits of using technology for education and its positive impact. The panelists included Christopher Bradman (Instructure), Rajiv Surya (Mindtree), and Prasheel Suryawanshi (Avantika University), and moderated by Manish Upadhyay (LIQVID).

The poster is dark grey with a white Avantika University logo at the top right. The main title "Avantika Digital TECHNOLOGY IN EDUCATION DELIVERY" is in large yellow and white text. Below the title, the word "Panelists" is centered. Three circular portraits of the panelists are shown, each with their name and title below it.

Foundation Day

The university celebrated its 4th Foundation Day in digital mode on 11th September 2020, marking its inception. The program started with the welcome by the Student Council, the launch of WEAVE magazine by Raghuram Velga (VP at Reliance Jio), the release of the Annual Report 2019-20 by Prasheel Suryawanshi (Vice Chancellor at Avantika), and the Foundation Day Lecture (Crossing the Threshold: Beginning of a New Journey in Education) by Prof. Indira Parikh (an acclaimed academician and visionary institutional builder). The program concluded with an online cultural program presented by the students.

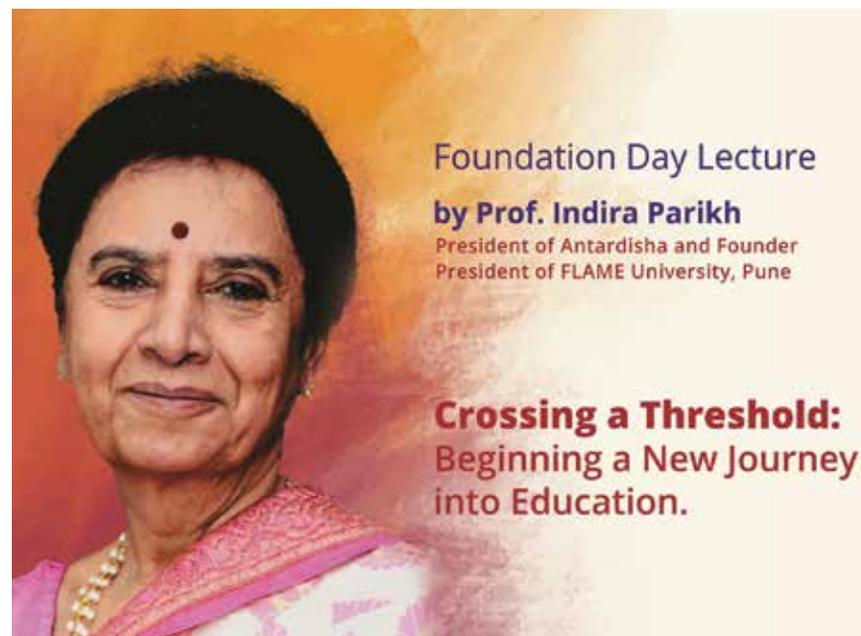

Foundation Day Lecture by Prof. Indira Parikh

It was a proud moment for the university to host Prof. Indira Parikh, a renowned academician and visionary institutional builder, for the second Foundation Day Lecture, Crossing the Threshold: Beginning of a New Journey in Education, on 11th September 2020. Prof. Indira Parikh is the President of Antardisha (Directions from Within), Former Dean at IIM Ahmedabad, and Founder of FLAME University, Pune. She was a faculty at IIM Ahmedabad for over 30 years and also taught at INSEAD, Fontainebleau (France), and Texas A&M University.

In her lecture, she narrated a story for the students to choose their crossroads, challenge, and accept themselves in every step of their lives. This story also emphasized the importance of being independent, learning, and growing up from experience, choosing the aspirational path but not always the path which everybody chooses.

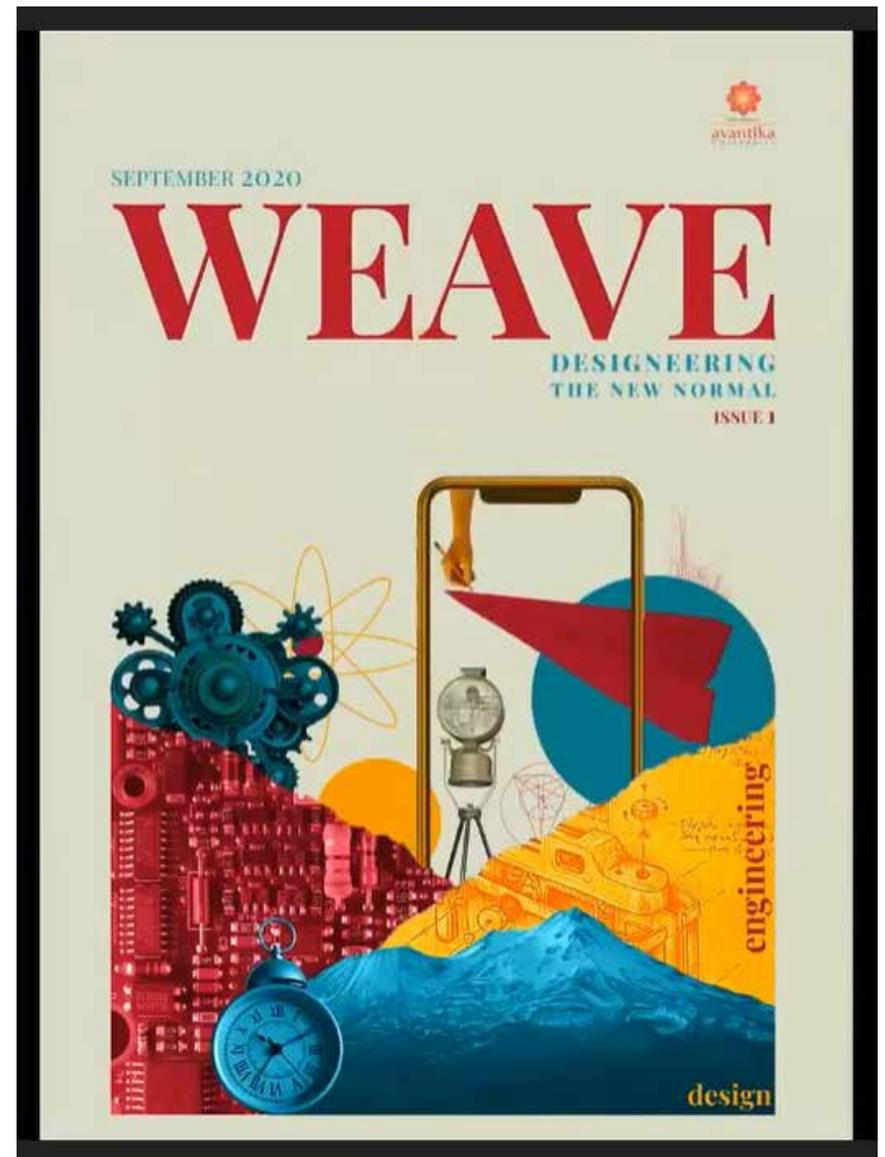

Concluding it, she quoted that one should value one's own life, appreciate and lift others on the way, be disciplined, grab all opportunities and keep growing. This lecture lent a fresh perspective to everyone to grab opportunities, embrace the challenges, and strive towards them confidently.

Launch of WEAVE

The university hosted Raghuram Velega, Vice President of Big Data and Analytics at Reliance Jio, for launching the first issue of WEAVE on 11th September 2020. WEAVE is a digital magazine that aims to integrate the worlds of design, technology, and business and inspire the readers: working professionals, leaders, and enthusiasts, who do something truly innovative, and 'DESIGNEER' their path to success.

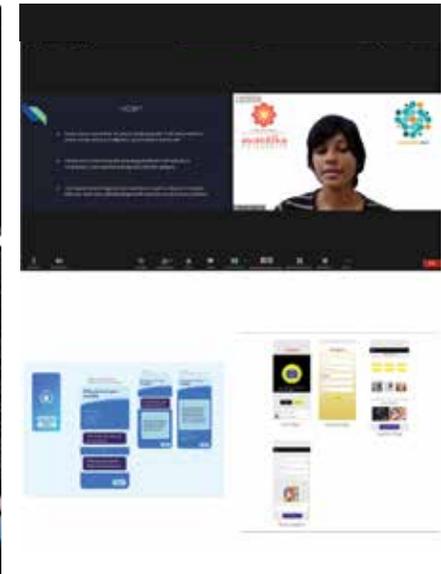

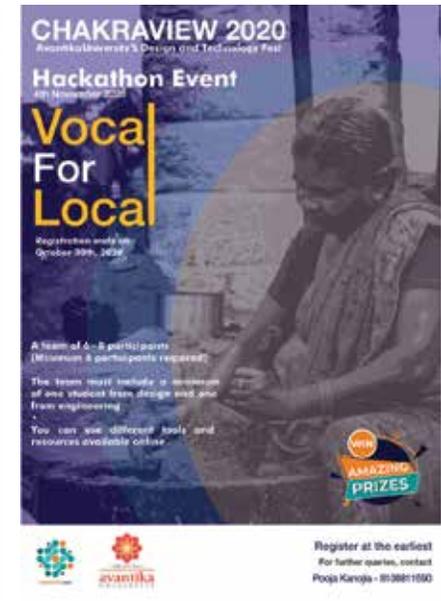

WEAVE is a completely student-led initiative, curating well-rounded pieces of writing in the form of views, opinions, trends, and experiences from the Designeering practitioners from varied domains in the corporate world.

Annual Design and Tech Fest - CHAKRAVIEW

The university organized its second annual Design and Tech Fest, CHAKRAVIEW, on 4th November 2020 in the online mode. The fest celebrates the collaboration and interdependence of Design and Technology, and the theme for CHAKRAVIEW 2020 was 'Technology Designed to Benefit Society.'

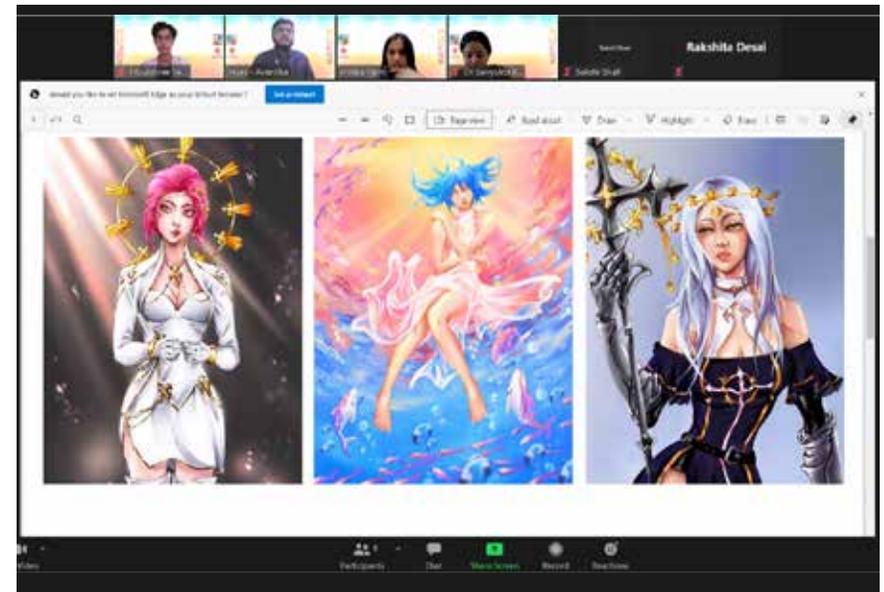

This fest brought together the experiences, innovations, and the creativity of design and technology through fun, activities, and events. CHAKRAVIEW 2020 was power-packed with varied events like Hackathon - Vocal for Local, Crack the UX Code, Rupantar, Digital Storytelling, Programming, and Chittrakshar that promoted the spirit of Designing.

Annual Cultural Fest - HUES

The university inaugurated its first annual Cultural Fest, HUES, on 11th February 2021 in the online mode. The fest celebrates the vibrancy of life and cultural diversity that builds incredible community and brings the students together at the campus.

The theme for HUES 2021 was 'Resonance of Life' that highlighted the vibrancy of life in the current times while we hide behind our masks. This fest was power-packed with captivating events like Naadbrahma, Abhivyakti, Rangdari, Pratibimba, Online Mystery, and What's Good that promoted cultural diversity and celebrated the vibrancy.

Launch of Avantika Design League

The university launched the first season of the Avantika Design League on 1st February 2021 for the 11th and 12th standard students. The Avantika Design League hosts the week-long design competitions where the students are given a selection of real-world design challenges to choose from and design a solution. The goal is to inspire the next generation of student designers and innovators in India and beyond, cultivate communities, and hone their design-thinking skills.

The Season - 1 of the Avantika Design League concluded on 22nd June 2021 with a virtual award ceremony congratulating the winners Medha Kulkarni and Saanvi Sharma for the 1st and 2nd prizes, respectively.

Nomination to Cumulus

The university was nominated and announced as a Member Institution of Cumulus, the leading global association of art and design education and research, on 10th June 2021. Cumulus represents a dynamic ecosystem for internationalization and global mobility, knowledge exchange, and collaboration in art and design pedagogy, research, and practice.

Connecting the 350 member institutions across 63 countries to exchange knowledge and best practices in the 21st century higher education landscape that is increasingly complex and global, Cumulus elevates the positive role of designers and artists in creating sustainable and humane futures for all.

Launch of Life Skills with Harappa

Laying down the paramount importance of the students' growth beyond academics, the university partnered with Harappa Education on 29th July 2020 for the value inculcation. Harappa Education is an online-first learning institution that helps ambitious students and career-driven professionals make progress on skills that really matter in the 21st century.

The association commences with the course of Life Skills - 1 available to our Foundation Year students intending to refine and master five crucial habits in them — Think, Solve, Communicate, Collaborate, and Lead. This will not only supplement their academic growth but also stand with the students in good stead – now and always. Being true to the ethos of the university, this collaboration is an important step towards developing personalities whose potential has been unlocked beyond the realms of academics.

Launch of Avantika NEXT

The university introduced a Strategic Plan, Avantika NEXT: 2021-24 on 1st February 2021. The plan is a result of the consultations and interactions with the students, faculty, staff, alumni, industry, and external stakeholders, and is designed to ensure excellence in higher education in the face of continuing significant challenges.

This plan lays out a series of action steps in four core objectives of Education, Research, Student Experience, Engagement and Collaboration, along with three supporting objectives in People and Culture, Campus and Services, and Sustainability.

The Strategic Plan is tightly coupled to the Operating Plan which includes metrics, budgets, specific accountabilities, and mechanisms for oversight to ensure that progress is being measured, monitored, and evaluated regularly.

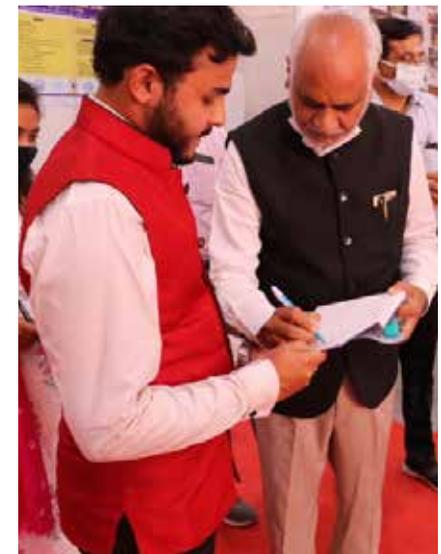

The objective is to ensure that the university continues to remain relevant, inventive, and challenging in transitional times and make significant contributions through its academic and research excellence.

Exhibit at Sarthak EduVision 2021

The university was invited to and participated in a 3-day conference and national expo, Sarthak EduVision 2021, in Bhopal from 15th - 17th March 2021. In association with the UGC, HECI, AICTE, NBA, RGPV, and other esteemed institutions, the Bharatiya Shikshan Mandal organized this 3-day event to implement the National Education Policy, demonstrate Gurukula System, and establish a sense of Bharatiyata in the education system.

Over three days, the officials from the central and state regulatory bodies, UGC Chairman (DP Singh), AICTE Chairman (Anil Sahastrabudhe), and other academicians visited the university's vibrant stall that exhibited the students' project work and innovations. At the same time, the university representatives got an opportunity to have insightful discussions with the audience.

Statutory Meetings

As the fixed tenure (3 years) of Statutory Committees ended on 31st December 2020, the university revamped the Committees in line with the Statues. The nominated members (elected and appointed by the Governing Body) took charge from 1st January 2021 for a fixed term (3 years) until 31st December 2023.

Governing Body

Three meetings (11th, 12th, and 13th) of the Governing Body dated 29th December 2020, 16th April 2021, and 16th July 2021 were organized in the session 2020-21. All three meetings were presided over by the Chancellor, Sanjay Govind Dhande. The Vice Chancellor, Prasheel Suryawanshi, presented the report of the university and the agenda points were discussed and confirmed.

Academic Council

Two meetings (7th and 8th) of the Academic Council dated 22nd December 2020 and 23rd April 2021 were organized in the session 2020-21. All meetings were presided over by the Vice Chancellor, Prasheel Suryawanshi, who also presented the report of the university and the agenda points were discussed and confirmed.

Finance Committee

Two meetings (6th and 7th) of the Finance Committee dated 11th October 2020 and 12th March 2021 were organized in the session 2020-21. All meetings were presided over by the Vice Chancellor, Prasheel Suryawanshi, who also presented the report of the university and the agenda points were discussed and confirmed.

Board of Management

Four meetings (17th, 18th, 19th, and 20th) of the Board of Management dated 25th December 2020, 19th February 2021, 16th April 2021, and 18th June 2021 were organized in the session 2020-21. All meetings were presided over by the Vice Chancellor, Prasheel Suryawanshi, who also presented the report of the university and the agenda points were discussed and confirmed.

Achievements

2nd Prize at Amazon's #ToyathonChallenge2020

The MDes (Communication Design) students — Raaj Anilkumar, Richa Raj, and Shruti Gupta — bagged the 2nd prize at Amazon's #ToyathonChallenge2020 on 12th March 2021. Launched in December 2020 by Shri Ramesh Pokhriyal, Hon'ble Union Minister of Education, Government of India, this pan-India toy hackathon sought to discover some unique and innovative ideas from enterprising youth.

The team participated as Karyr (Tell your own story) and created a unique storytelling and story-building game, The Judge, for groups and individual players. Delving into stories like the Ramayana, Indian dance forms, festivals, and elements of nature, this game involves making one's story using those elements. The players and teachers can also create multiple game modes using the different elements for recreation and learning.

Winner at MIT COVID-19 Challenge

The BDes (User Experience Design) student, Jill Chheda, bagged a winning position at the MIT COVID-19 Challenge, India: Turning the Tide, on 9th September 2020. Launched on 28th-30th August 2020 as seventh in a series of virtual hackathons of MIT COVID-19 Challenge, this was a 48-hour virtual event designed to create solutions that can address the most pressing issues arising from the ongoing COVID-19 crisis in India.

She participated in Track I (Highlighting and Communicating COVID-19 information that is scientifically accurate) where she designed an AI solution (Vital Truth) that can tell the user whether the information is true or false.

Runner-up at Microsoft Design Challenge 2020

The BDes (User Experience Design) student, Manuja Kadre, secured the runner-up position at the Microsoft Design Challenge 2020 on 28th August 2020. She designed a mobile-based scalable solution, Immunize, that digitalizes the record-keeping system for vaccination at the personal level and national level for India.

2nd Runner-up at HeroCoLabs Global Design Challenge

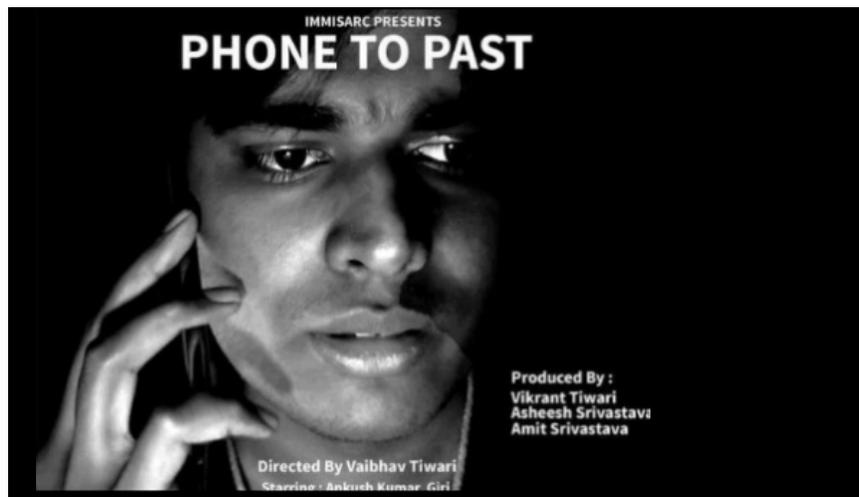

The BDes (Industrial Design) student, Shraddha Sabnis, bagged the 2nd runner-up position at the third edition of HeroCoLabs Global Design Challenge on 6th April 2021 for her unique designs (bike riding suits) for Hero Motorsports ADV Riding Jersey.

1st Prize at Film Making Competition

The BDes (Foundation) student, Vaibhav Tiwari, bagged 1st prize at Filmz - Film Making Competition, held under the cultural events during Abhiyaan 2021 (organized by Bharati Vidyapeeth, Pune), on 3rd July 2021 for his film 'Phone to Past'. The film was about a person who can make phone calls to the future and revolves around two basic questions: "Is it a prank call?" and "Who is the person dialling the phone to past?"

The film is completely in black and white to give a look and feel of the past. 'Phone to Past' is also selected for the screening in the Ritu Rangam Film Festival, and in consideration for the Filmbath: IMDB new filmmaker award.

2nd Runners-up at CodeOffDuty Hackathon

The BTech (Computer Science and Engineering) students — Aditya Sharma, Jayant Choudhary, and Aditya Oswal — bagged the 2nd runners-up position at the CodeOffDuty hackathon held as a part of DSC WOW (Developer Student Clubs — Week of Wonders) from 7th-13th December 2020. The team participated in this 48-hour virtual hackathon as Innovation Geeks and developed agribots using Amazon Web Services (AWS) for the 'Open Innovation Track' in the domain of IoT application in Agriculture.

3rd Prize at Toy Design Challenge

The BDes (Industrial Design) student, Esha Vijayan, bagged the 3rd prize at Toy Design Challenge, hosted at The India Toy Fair 2021 on 2nd March 2021, under the amateur category for conceptualizing toys for the specially challenged. This challenge was organized at The India Toy Fair 2021 and initiated by Prime Minister Shri Narendra Modi as a part of Atmanirbhar Bharat.

Selection for Google Developer Student Club

The BTech (Computer Science and Engineering) student, Shivam Singh Rathore, was selected as a Google Developer Student Club Lead for the university on 3rd December 2020. The Google Developer Student Club (GSDC) is a community group for students interested in Google developer technologies, thus enabling the peer-to-peer learning environment and building solutions for the local business and their community.

Google Developer Student Clubs

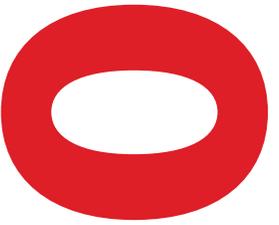

E-LEAD Certification by QS I·GAUGE India

The university was awarded the E-LEAD Certificate on 22nd October 2021 by QS I·GAUGE India, a renowned global college and varsity rating initiative specialized in rating colleges, universities, and schools. QS I·GAUGE India brings together the global expertise, experience, and reputation of UK-based (QS) Quacquarelli Symonds, along with deep local knowledge of luminaries from Indian education.

The E-LEAD (E-Learning Excellence for Academic Digitisation) certification is a recognition of the best practices in making technology more integral to learning environments, rapid transition to online learning, and digital learning excellence. After a rigorous audit of the university's practices, policies, records, and documentation by a panel of professionals, the university achieved this certification, and became one of the select few universities of Madhya Pradesh to be certified for digital learning excellence.

**Industry
Connect**

The university is built on application-based education, which provides holistic development of our students. The Industry Relations team is established to provide expert guidance, develop a culture of entrepreneurship, provide professional exposure, and guide students beyond the academic curriculum. The objective is to infuse entrepreneurial spirit among all stakeholders harnessing the power of design and technology to solve some of the challenging global problems with profitable business models.

There are four types of sessions that the team organizes every week, which are as follows:

Spark Talks

These are formal sessions wherein speakers from diverse industries and backgrounds share their expertise and life journey with the participants. The spark that the speaker leaves behind with the students helps them to broaden their industry perspective. These sessions are structured for the formal learning process.

The Bodhi Tree

Young and dynamic entrepreneurs or leaders are invited to informally chat and share their expertise over a casual discussion over some chai or fun activities, including discussions and games. The activity encouraged peer-to-peer learning through inspirational sessions.

Industrial Mind Restoration (IMR)

IMR is a platform for our learners to step out of the campus and learn by observation in a real business environment. This is facilitated by a visit to manufacturing companies, design houses, or city tours. The sessions are designed for the exploration of business processes, operational styles, and industry practices.

Crusaders for Tomorrow

'We rise by lifting others.' CFT attempts to build empathy and a sense of giving back to society at large. The students work with artisans, NGOs, social enterprises, and people at the bottom of the pyramid to create an environment of oneness. The students contribute in the form of efforts, teaching skills, and building a social interaction platform.

Industry Connect

The university organized 61 industry connect activities in the session 2020-21, which included expert sessions, workshops, and industry visits.

These activities were conducted every week where the university called-in a diverse range of experts from the industry to share their knowledge and experience with the students.

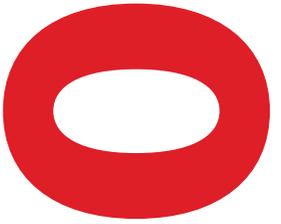

Sr.	Date	Topic	Expert(s)
1	10.06.2020	Session on Designing your Design Career	Sudeep Chhabra, Actuate Consultants
2	17.06.2020	Workshop on Ideate and Illustrate	Sanjay Reddy, Redtin Studio
3	24.06.2020	Session on Civic Problem Solving	Shashi Shekhar, Reap Benefit
4	01.08.2020	Session on How to Brand beyond a Logo	Himanshu Khanna, Sparklin
5	08.08.2020	Session on The Art of Talking to your Apps	Kumar Rangarajan, Slang Labs
6	08.08.2020	Workshop on Resume Building	Rohit Lalwani, Avantika University
7	29.08.2020	Session on Portfolio Building	Sameer Chavan, Flipkart
8	29.08.2020	Session on Portfolio Building	Amod Gijare, Forbes Marshall
9	29.08.2020	Session on Building your Designing Journey	Saumya Aymuas, OYO
10	04.09.2020	Session on Shape Up: Journey on Creating Meaningful Projects	Ryan Singer, Basecamp
11	05.09.2020	Session on Portfolio Building	Kailas Nadh, Zerodha
12	05.09.2020	Session on Portfolio Building	Hiren Dedhia, Diageo

Placements

A total of 121 students had taken admissions in 2017 to Bachelor of Design (BDes), Bachelor of Technology (BTech), and in 2019 to Master of Design (MDes). Among the total 121 students, 110 were eligible for placements and the students got exposure to more than 150 reputed companies for their placement interviews. 60 of those 110 students got placed through the university placement cell in various well-known national and global companies. The average CTC offered was 7.5 Lakhs, with the highest being 14.24 Lakhs. An additional 20 students secured placements through walk-ins. A couple of students also opted for higher studies and independent practice. The university feels proud of the students and the fact that it was able to achieve remarkable placements for the first batch.

Co-Curricular Activities

Internships

As one approach of experiential education, credit-bearing internships support the university's mission of providing diverse, dynamic, and meaningful experiences to inspire learners to grow both intellectually and personally, enabling them to contribute positively to local and global communities.

The internships are typically full-time positions where students work 8 - 12 weeks over the semester and have the opportunity to earn academic credit. The internship experiences are a valuable part of education, allowing students to engage in a professional experience at an organization with supervision and mentorship from both faculty and employers while developing new skills and learning about a field or industry that complements classroom learning.

Industry Projects

The academic model of the university requires all the final year students to go through the mandatory capstone project in their last semester. The capstone project is pursued with the industry or the university to apply the knowledge gained in the professional courses and gain hands-on experience. The students' capstone projects started from 1st January 2021 and went up till 30th June 2021. All the BDes, BTech, MDes students joined various well-known national and global companies and received a stipend ranging from Rs. 3,000 to Rs. 20,000.

Create, Change, Transform

Events and Celebrations

74th Independence Day

The university commemorated the 74th Independence Day on 15th August 2020 with great patriotism. The Vice Chancellor (Prasheel Suryawanshi) and the Registrar (Manesh Patil) hoisted the National Flag with great pride and splendor. In line with the COVID-19 guidelines, the event was limited to the management, faculty, and staff, with no student gatherings and performances.

Ganesh Chaturthi

The day 22nd August 2020 marked the start of the 5-day long joyous festivities with Ganesha Aagman and Sthapana on the campus. The 5-day program started with Ganesh Vandana and prayers to bring wisdom, prosperity, and good fortune for the upcoming year. The festivities took a beautiful ending with the Ganesh Visarjan.

International Yoga Day

The university observed the International Yoga Day on 21st June 2021 to highlight the importance of yoga in rejuvenating our mind and the body, leading to a healthier lifestyle. Carrying that year's theme "Yoga for well-being" and in line with the COVID guidelines, the expert session on Yoga Asanas was limited to the management, faculty, and staff.

72nd Republic Day

Commemorating the 72nd Republic Day on 26th January 2021, the Vice Chancellor (Prasheel Suryawanshi) unfurled the Tricolor on the campus. In line with the COVID guidelines, the event was limited to the faculty, management, and staff. The celebration continued with the rendition of the National Anthem that gives the emotions of pride, commemorating the dawn of the new beginning and a bugle of echo of self-reliant India.

Clubs

Rangnaad Art Club

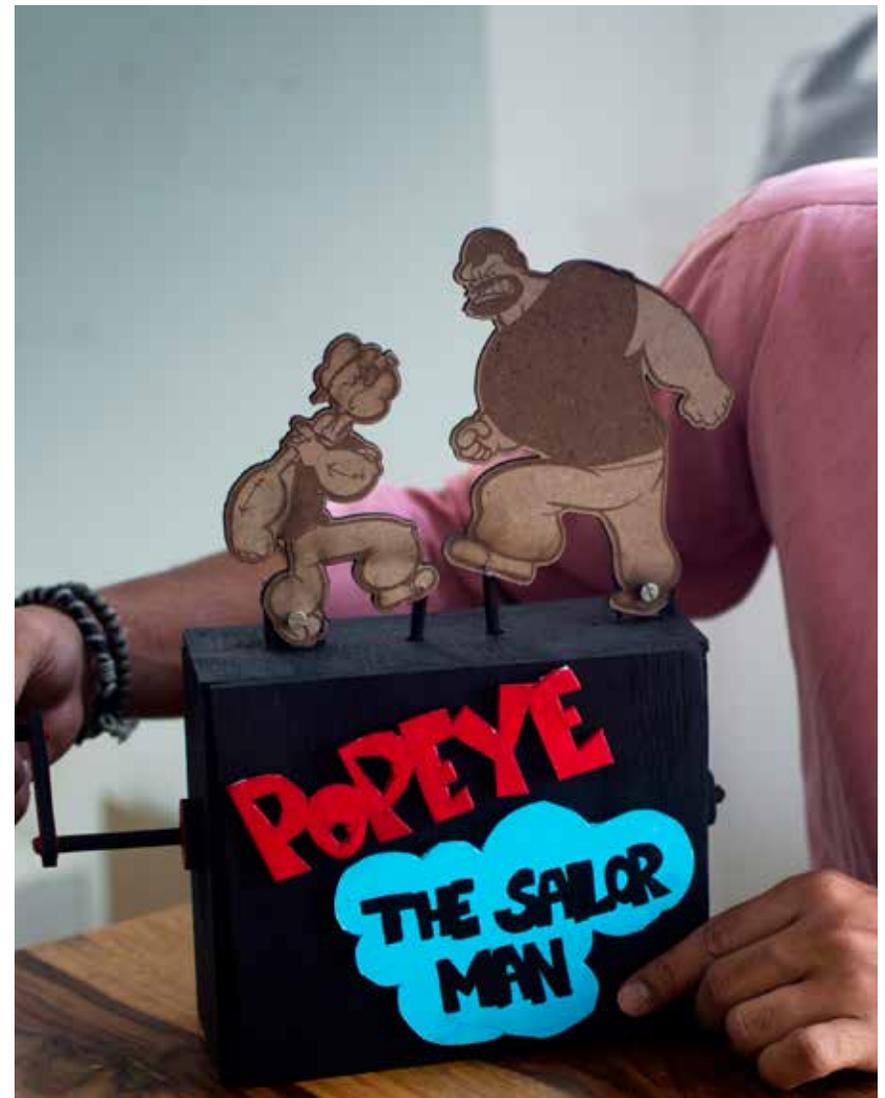

The Rangnaad Art Club is a student-led club which aims to cultivate cultural awareness in the learners through conducting recreation and rejuvenation activities like Painting, Drawing, Sketching, Folk Art, Printmaking, Indian Classical Music, Western Music, Folk Music, Fusion, Dance Sculpture, Clay Modelling, and Wood Carving, etc. The club activities were coordinated by the faculty member Dr. Hemant Kaushik who organized activities like clay modeling and mural decoration workshops, live sketching workshop, folk art workshop, gesture drawing workshop, calligraphy workshop and mural installation

workshop on designing five senses, etc. The activities were aimed at developing the creative instinct and sense of the students by engaging their right side of the brain. The activities introduced them to the various Indian art forms and hands-on application of arts like clay modeling, set-designing, mural decoration, live sketching, gesture drawing, and calligraphy. As designers, a look and practice of these forms of arts enhanced their knowledge, skills and created awareness about India's rich cultural and art heritage.

Gaming Club

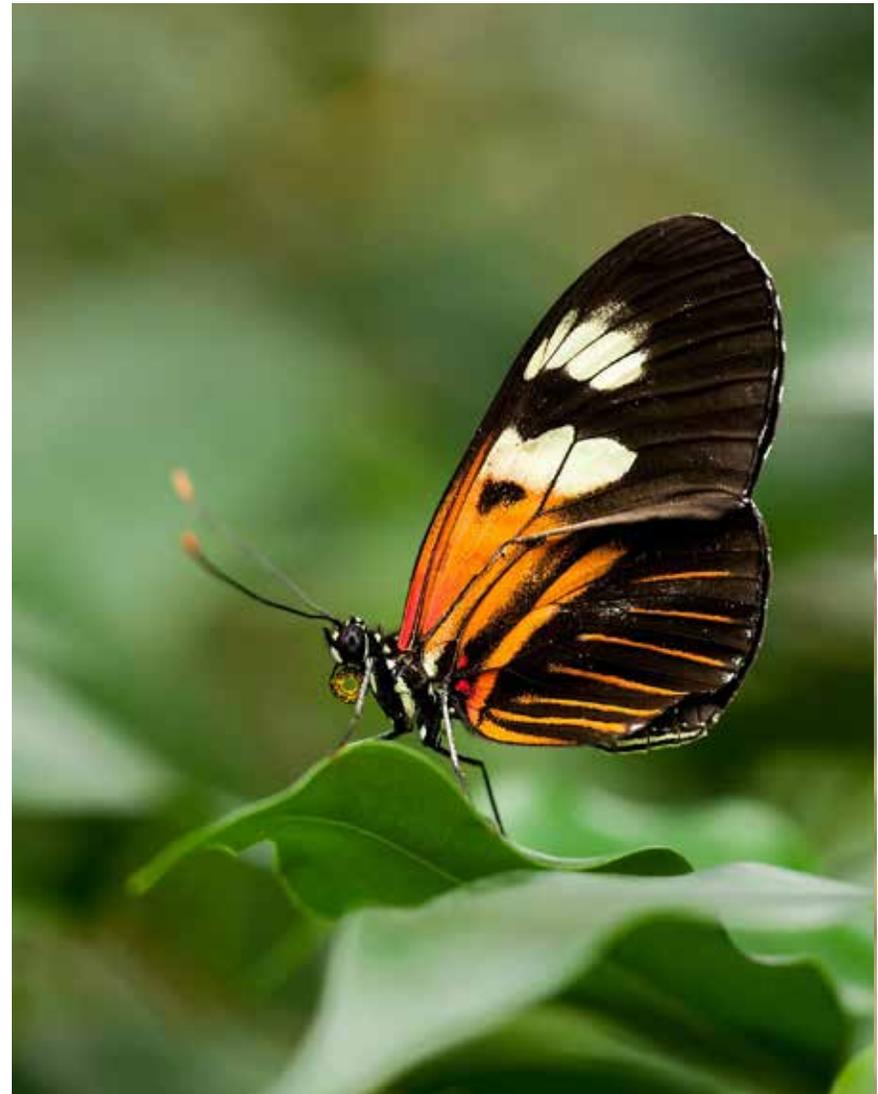

The Gaming Club at Avantika aims at boosting the cognitive and analytical capability of the learners with a view to promote a culture of collaboration and team building. The club fosters an environment full of fun and learning with a view to make it a more socially acceptable form of recreation and entertainment which, not only promotes one's passion but also becomes a great learning experience for the club members. The Gaming Club aims at being a stress buster, giving life to new experiences, game development concepts and exploration of new trends.

Photography Club

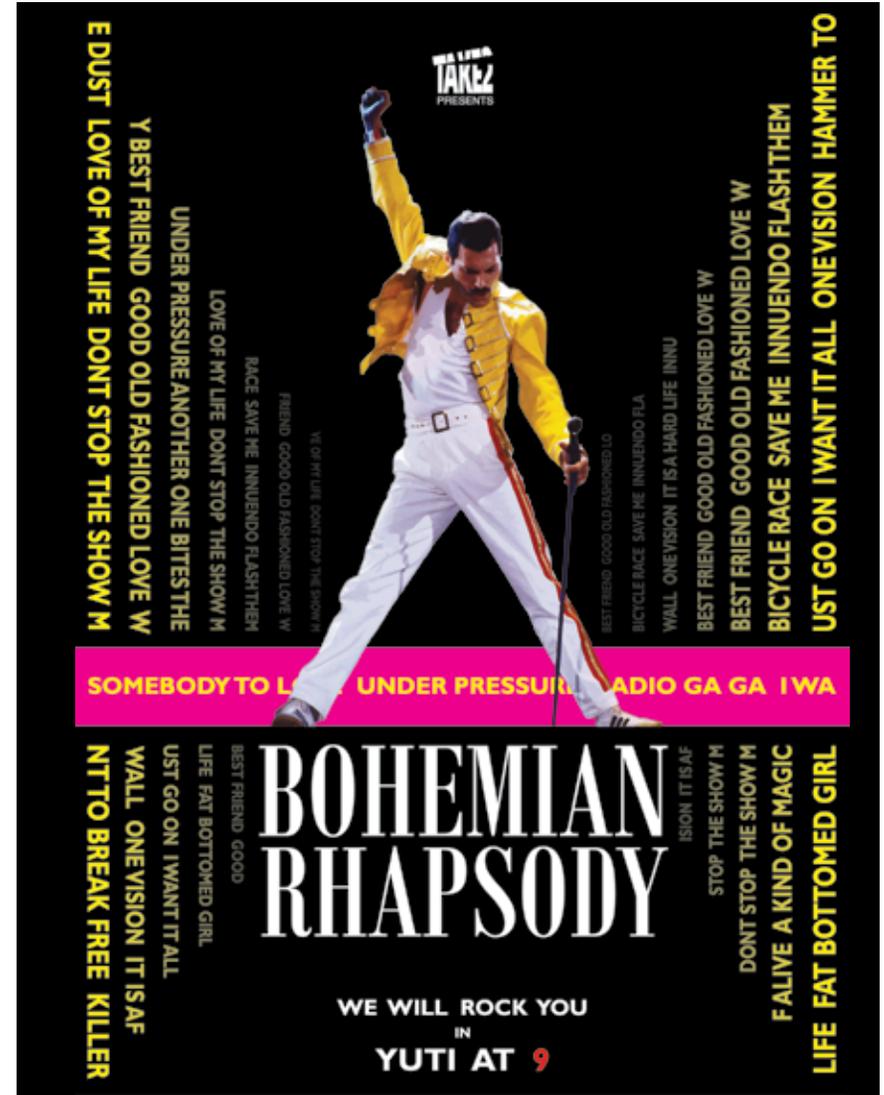

Avantika Photography Club is a community of passionate individuals sharing the love for photography. The club is a knowledge-sharing platform that promotes collaboration and self-exploration. The club aims to accelerate the latent photography skills of the student and be a platform for those who carry an inclination towards learning the art and its technicalities. The club also plays a vital role in capturing the activities at the campus and creating endless memories. The faculty member Rupesh Gajbhiye coordinated the club activities. There were a total of 96 student members who indulged in events on various topics like Point of View, Photography Walk, Portrait, Selfies, Bird Watching, etc.

The activities of the club have created a sensitivity in the students towards design using photography as composition. The various activities and explorations have not only created an inclination towards nature but also developed hands-on expertise in how to handle a professional camera and use its multiple functions.

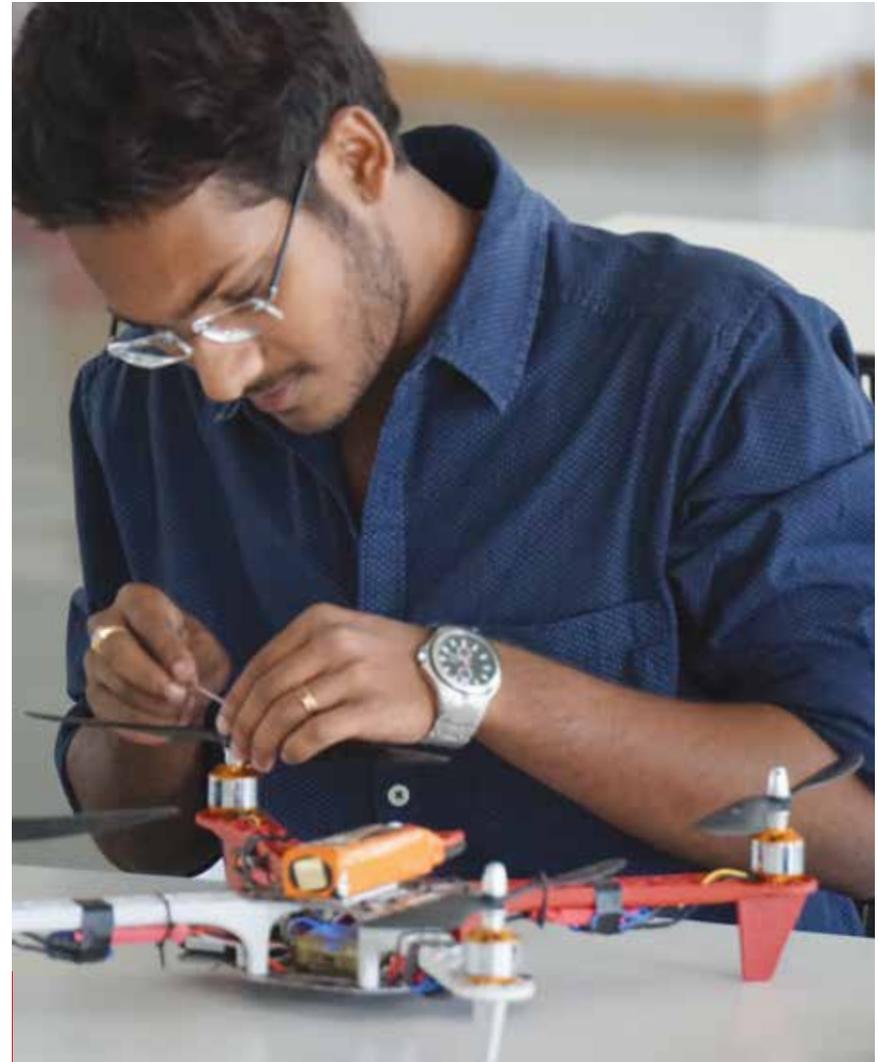

Take 2 - The Movie Club

Films are the reflection of our society and play a vital role in creating sensitivity towards the world outside. The Take 2 Club aims to create a platform for learning through stories and characters and to push a wave of refreshing perspectives and broaden the vision of the learners. The club nudges to improve upon the comprehension and observation power of the student and further develop a sense of reflection through understanding the psychology and intent behind a diverse range of stories. The faculty member Rupesh Gajbhiye coordinated the club activities. There were a total of 12 student members who organized and coordinated all activities of the club to premier 4 movies every month which included 2 documentaries, 1 regional film, and 1 Bollywood movie. The Take 2 club is functioned by a committee of 12 student members who manage all the club's activities. This has given them a platform to research and select movies that can introduce students to different perspectives and understand the power of communication. The club features films that cater to a platform for learning and looking at life from different lenses by introducing a diverse range of stories.

Robotics Club

The Robotics Club is a research initiative that provides students with the resources to develop Robots. The objective of the club is to promote the spirit of engineering and design, thereby inculcating skills of both the domains through an interdisciplinary approach. The club offers guidance, workshops, and tutorials along with tools, equipment, components, and workspace for such activities. The club caters an engaging platform whereby the student can experiment on a technical, applied and design level and see how systems interact, both with each other and with the environment, and get a chance to use the knowledge gained as part of a There were a total of 8 student members who indulged in activities like Robotics and Automation awareness programs, short term training on LEGO-Mindstorms, and Arduino Prototyping. The club is currently engaged in the design and implementation of aerial mobility platform for scientific research. The students learned the various research processes and functions, explored design and technical principles, and increased experimental findings. The activities of the club created an inclination towards science and technology and developed the programming, problem-solving, and logical thinking skills of the students.

Cycling Club

The Cycling Club at Avantika is a community of cyclists who find passion in cycling and are curious to explore the area around. The team organizes many outings with the aim of exercising, exploring, coining perfection and setting enhanced benchmarks for each one they accomplish. The club is open for all but calls for dedication towards its practices. Actively being part of the group allows you access to cycling events and gives you a chance to be close to nature. The team comes together every week or month for a long or short distance cycling event. This not only adds to the fitness quotient but allows exploring nearby village areas and communities.

Scholarships

The university offers scholarships, tuition fee waiver schemes, teaching, and research assistance to meritorious, needy, and deserving students. This is an effort to make education affordable and reachable for all and encourage academic excellence. The following are the various types of scholarships available for application.

Ved Vyas Scholarship

Applicable to students securing top three positions in 12th Board Exams (CBSE/ISC/State Boards) and JEE (Mains) rankers.

Vikram Scholarship

A merit-cum-means scholarship is applicable to deserving students, with the quantum of scholarship to be determined based on the annual income of parents.

Arjun Scholarship

A sports scholarship is applicable to students who have participated and won medal/s at a national and international level in sports recognized by the Indian Olympic Council (IOC).

Ashoka Scholarship

Performance-based scholarship for students who have demonstrated extraordinary ability and potential during the academic year.

Sudama Scholarship

A need-based, earn-and-learn scheme is applicable to students who are desirous of contributing to the university and wish to earn to support their education.

Aryabhata Scholarship

A research assistantship scheme is applicable to students who have demonstrated excellent academic performance and are desirous of contributing to the university.

Chanakya Scholarship

A teaching assistantship scheme is applicable to students who have demonstrated excellent academic performance and are desirous of contributing to the university.

MP Government Scholarship

The scholarship is administered to the students belonging to the SC/ST/OBC category by the Government of Madhya Pradesh based on the annual income of the family.

Recipients of Scholarships

A total of 11 students received a cumulative amount of Rs. 15,00,000 for the year 2020-21.

Toastmasters International Club

Toastmasters International is a US headquartered, non-profit educational organization founded in 1924 that operates clubs worldwide for the purpose of promoting communication, public speaking, and leadership skills. TI is considered to be a world leader in communication and leadership development with a global network of around 16,600 clubs in 143 countries and around 3,57,000 memberships. Avantika University runs its Avantika Toastmasters Club which functions under the Division A of District 98 of Toastmasters International.

Reap Benefit Fellowship

Reap Benefit is a Bangalore-based start-up which strives to build the next generation of problem solvers, by involving youth in solving ever-changing local environment and civic problems concerning waste, water, energy and sanitation through user-friendly, low-maintenance and low-cost solutions. Reap Benefit has so far indulged in 5,00,000 hours of public problem solving and trained Ninjas with citizen problem-solving skills through its innovative solutions. Avantika University has partnered with reap benefit for a 10-month long fellowship program on trigger-mapping, rapid prototyping and problem-solving.

Palo Alto Cyber Security Academy

The Palo Alto Networks Cybersecurity Academy offers a comprehensive set of modularized academic and technical courses that match the cybersecurity education and training needs of post-secondary educational institutions. The academy curriculum is aligned with the U.S. National Initiative for Cybersecurity Education, or NICE, framework for cybersecurity work roles. The Cybersecurity Academy offers faculty training, hands-on labs, modularized curriculum and virtual firewalls to qualified academic institutions or training centers. Avantika University is an authorized Palo Alto Networks Cyber Security Academy to teach its Cyber Security courses.

SAP University Alliances

SAP University Alliance is a global program enabling more than 3,500 educational institutions in over 113 countries to integrate the latest SAP technologies into teaching. Learning resources on SAP Leonardo and other SAP solutions enhance how faculty prepare the next generation with knowledge and skills for the digital future. The collaboration between Avantika University and SAP University Alliances is to make available global academic education material which is developed in collaboration with faculty, students, SAP partners and customers around the world for its students.

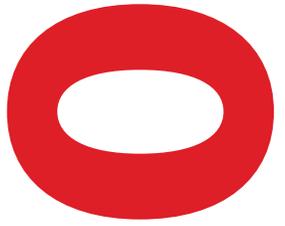

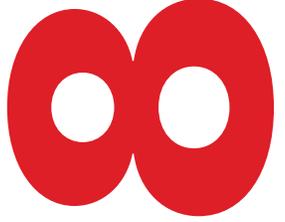

Abled Lab

Abled is a unique Design-Technology lab started in collaboration with Dominix Strategic Design Pvt. Ltd. The Abled Lab is established with the aim to create solutions for individuals with special abilities and disabled individuals in urban and/ or rural India. The lab will conduct research, and develop innovative, customized solutions that will assist the disabled individuals in their daily lives. The multidisciplinary lab of technology and design experts, and students will work with stakeholders including businesses, governments, NGOs or social enterprises and start-ups to introduce such innovations.

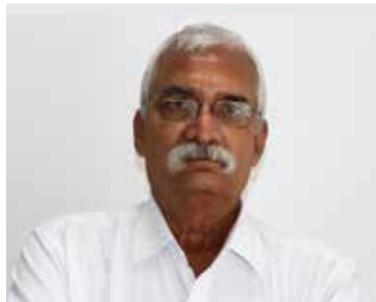

Platinum Lab

Elephant is a Design led Innovation organization solving complex challenges with focus on people and the future. Their expertise lies in their process driven approach to design based on significant work in emerging markets and start-ups. Avantika University collaborates with Elephant Design for setting-up one of its kind, 'Platinum Lab,' a design-technology lab which will create solutions for senior citizens in Urban and Rural India. This lab will conduct research, and develop creative technological solutions that will assist the ageing economy of India. This multidisciplinary lab of technology and design experts, and students will work with stakeholders including businesses, governments, NGOs or social enterprises and start-ups to introduce such innovations.

Research Projects

Agri Drone

The mission of the Smart Campus initiative is to bring sustainable, eco-friendly, and energy-efficient development. The Smart Campus is a campus that is efficient, safe, sustainable, responsive, and an enjoyable place to live and work, underpinned, and enhanced by digital interventions. In addition to the obvious benefits of a more efficient, connected, and responsive campus, such a campus would also enhance and reinforce the university's reputation as a progressive academic institution. The benefits of Smart Campus include resource monitoring and optimization, reforms, and integration among various academic and administrative operations, discipline in service delivery, a positive culture of collaborative research and innovation in sync with the National Mission.

The research project has successfully progressed to achieve manoeuvre stability on the height of 80-100 Ft, mapped return to Home (RTH) coordinate position, and prototyped stabilized for X configuration. The team is currently engaged in research on flying pattern design and have plans to study its crosswind correction and implementation, make design modifications according to climate-responsive architecture, develop the ability to pass obstacles, installation of onboard camera and imagery systems, course corrections and, path and trajectory planning.

CAD Tools for Beyond-CMOS Logic

The research on Computer-Aided Design Tools for Beyond-CMOS Logic is in the area of computational electronics. The research is slated to be executed in three phases. In the first phase, table models will be calibrated employing the DC and AC transfer characteristics obtained from established compact models. In the second phase, the parametric table models will be assessed for their ability to describe silicon/organic transistors. The final phase of the research shall explore the possibility to design a robust beyond-CMOS logic based on multiple-gate transistors.

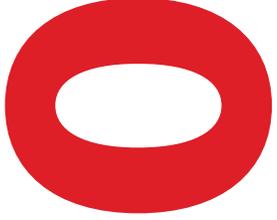

The members of the research team include the faculty member Dr. Muthupandian Cheralathan and students from the final year BTech, namely Mihir Srivastava and Hatim Nomani. The research project has reached the final stage of the first phase and has completed generation of Transfer Characteristics and Output Characteristics of NMOS Models, and created 2D Table Models using the in-built NMOS Models by performing interpolation on the current values of the MOSFET, 3D Table Models using the in-built NMOS Models by changing the source voltage values gradually, a large table model by performing large interpolation to create a model that will be used to simulate Beyond-CMOS Technology, and simulated different MOSFET models using a unified current model equation.

Smart Sustainable Campus

The mission of the Smart Campus initiative is bringing sustainable, eco-friendly and energy efficient development. Smart Campus is a campus that is efficient, safe, sustainable, responsive, and enjoyable place to live and work, underpinned, and enhanced by digital interventions. In addition to the obvious benefits of a more efficient, connected, and responsive campus, such a campus would also enhance and reinforce the university's reputation as a progressive academic institution. The benefits of Smart Campus include resource monitoring and optimization, reforms and integration among various academic and administrative operations, discipline in service delivery, a positive culture of collaborative research and innovation in sync with the National Mission.

A couple of projects in Energy Management, Water Management, Waste Management, Renewable Energy, Carbon Footprint Reduction, Parking, Toilet Management and Analytics, Smart Dustbin and Data Visualization, Smart Canteen, Smart Classrooms, Smart Cleaning through RoVs, Smart Grids, and like are slated for execution in the days to come.

The project is in line with the UN Sustainable Development Goals and an attempt to instil a socially and environmentally responsible citizenship amongst the stakeholders.

Employee Development Activities

The university organized 4 employee development activities in the session 2020-21, which included webinars, expert sessions, and workshops.

These activities heightened the employees' awareness of emotional wellness and workplace communication, both verbal and nonverbal, and how it is at the foundation of everything we do and say in the 21st century workplace.

Sr.	Date	Session	Speaker(s)
1	22.07.2020	Webinar on Understanding Burnout and How to Combat it	Puroitree Majumdar Senior Clinical Psychologist, Your DOST
2	19.08.2020	Webinar on Understanding and Expressing our Emotions	Puroitree Majumdar Senior Clinical Psychologist, Your DOST
3	10.10.2020	Webinar on Breaking Stigma : Normalising Mental Health	Dr. Jini K Gopinath Chief Psychology Officer, Ex-Performance Coach, Mumbai Indians
4	16.01.2021	Training on MS Excel	Ajeet Singh Khamare General Manager - Systems, Ruchi Soya Industries

Collaborations

The university actively engaged in strategic partnerships with global universities, government agencies, research institutes, industry, and professional societies for enriching the curriculum, research and exchange opportunities, and administrative endeavors.

Global Universities

These collaborations enabled the university to build its global footprint through student exchange and faculty exchange programs, joint research ventures, joint conferences, and curriculum design.

National Summit on Skill Based Education

The Vice-Chancellor (Prasheel Suryawanshi) was invited to address the opening ceremony at the National Summit on Skilled Based Education on 1st July 2021 and the Panel Discussion on 3rd July 2021 representing the university. The event was organized by ISIEINDIA in association with ASDC, MG Motors India, ANSYS Inc, Hero Electric, SMEV & Speedways Electric, and envisions addressing the challenges concerning Electric Vehicles and Sustainable employment of youth through deliberations on diverse issues and needs of Electric Vehicle Industries and Academia.

Avantika Design League

The university launched the Avantika Design League, which hosts week-long design competitions where the 11th and 12th standard students are given a selection of real-world design challenges to choose from and design a solution. The goal is to inspire the next generation of student designers and innovators in India and beyond, cultivate communities, and hone their design-thinking skills. The Season - 1 was launched on 1st February 2021 and concluded on 22nd June 2021 with a virtual award ceremony congratulating the winners Medha Kulkarni and Saanvi Sharma for the 1st and 2nd prizes, respectively.

Campus Charcha by Harappa

The Vice Chancellor (Prasheel Suryawanshi) was invited to speak at the 5th edition of Harappa's Campus Charcha on Redesigning Learning: Integrating Design Across Disciplines. The prominent educationist Pramath Raj Sinha, Founder & Chairman of Harappa, moderated this event on 13th May 2021. This insightful conversation highlighted the need for the institutions to focus more on building skills like creativity, conceptual clarity, and innovation, and how introducing Design as a core discipline in the curriculum can enable new perspectives, experimentation, and collaboration to produce workforce-ready graduates.

Social Entrepreneurship, Swachhta and Rural Engagement Program

As a part of the Mahatma Gandhi Village Cleanliness Campaign, the university organized a program on cleanliness and self-employment on 16th March 2021 in the village Tanakariya, Ujjain. Led by Rupal Joshi (Faculty - School of Design) and Umesh Verma (Sarpanch of Tanakariya), the students and other faculty highlighted the women's regimen and sanitation to dispel all misconceptions and taboos by presenting evidence and original values. Simultaneously, a workshop was conducted on bangle making along with the brief on COVID, sanitary hygiene, and menstruation through Nukad Natak and Play.

Sarthak EduVision

The university participated in a 3-day conference and national expo, Sarthak EduVision 2021, in Bhopal from 15th - 17th March 2021. In association with the UGC, HECI, AICTE, NBA, RGPV, and other esteemed institutions, the Bharatiya Shikshan Mandal organized this 3-day event to implement the National Education Policy and establish a sense of Bharatiyata in the education system.

Over three days, the officials from the central and state regulatory bodies, UGC Chairman (DP Singh), AICTE Chairman (Anil Sahastrabudhe), and other academicians visited the university's vibrant stall that exhibited the students' project work. At the same time, the university representatives got an opportunity to have insightful discussions with the audience.

avantika interact

Avantika Interact

The university launched a new webinar series - Avantika Interact on 6th February 2021. This series brought a closer look at the broad notion of design that includes 'design thinking' and how to design change that matters - at the time when we need it the most. Thought leaders from various disciplines of Avantika's Faculty and Advisory Board offered reflections and guided a free-flowing discussion with participants on infusing the right mindset and creative problem-solving approach.

The following are the webinars launched in 2020-21.

Sr.	Date	Webinar	Speaker(s)
1	06.02.2021	Interaction Design	Siddharth Majumdar (Coordinator – UX Design)
2	22.02.2021	Design as a Career with Ignite India	Raghav Pandya (Coordinator – Industrial Design)
3	10.05.2021	Photography as a Language	Shreya Jakhar (Faculty – School of Design)
4	12.05.2021	Leaders Speak	Prasheel Suryawanshi (Vice Chancellor) Manesh Patil (Registrar) Sukanta Kundu (Dean – School of Design)
5	22.05.2021	Design @ Avantika	Raghav Pandya (Coordinator – Industrial Design) Rupesh Gajbhiye (Coordinator – Communication Design) Siddharth Majumdar (Coordinator – UX Design)
6	28.05.2021	Sustainable Fashion	Amar Mithapalli (Coordinator – Fashion Design)
7	05.06.2021	Beyond Academics	Satyajit Pangaonkar (Dean – Student Affairs) Manesh Patil (Registrar)

Avantika Designeering Series

The university continued the podcast series Avantika Designeering Series, which focused on the need for tightly weaving design and engineering for the biggest breakthroughs. This series featured the captivating conversations with the industry's leading designers, technologists, and creatives to uncover their stories, unique perspectives, and insights on how to apply the integrated approach to achieve a consistent product and service innovation. Their stories served as an awe-striking reference for every designer, techie, and student alike.

This weekly series was hosted on Hubhopper and is available on all major platforms like Google Podcasts, Apple Podcasts, Spotify, JioSaavn, and many more.

The following are the podcasts launched in 2020-21.

Sr.	Date	Podcast	Speaker(s)
1	29.06.2020	Special: World Industrial Design Day (Part 1)	David Kusuma, Tupperware Brands co.
2	01.07.2020	Special: World Industrial Design Day	David Kusuma, Tupperware Brands co.
3	08.07.2020	Diversifying User Experience	Anant Tambade, Amdocs
4	15.07.2020	Special: World Youth Skills Day	Darshan Gandhi, Godrej Consumer Products Limited
5	22.07.2020	Research decoding Business	Saswati Saha Mitra, WhatsApp Inc
6	29.07.2020	Design Thinking Simplified	Tanu Sinha, PepsiCo
7	03.08.2020	Special: Friendship Day	Rohit Raj & Varun Duggirala, The Glitch
8	12.08.2020	UX and CX Reinvented	Jay Dutta, MakeMyTrip
9	19.08.2020	Imagination to Innovation	Soumitra Bhat, Salesforce
10	26.08.2020	Automation Building Resilience	Pandurang Kamat, Persistent Systems
11	02.09.2020	Special: Teachers' Day	Shalu Umopathy, IDEO
12	09.09.2020	The Mantra of Great Design	Revathi Kant, Titan
13	16.09.2020	Edifying Technology	Rajendran Dandapani, Zoho
14	23.09.2020	BXT: Business, Experience, Technology	Tarun Jung Rawat, PwC India
15	30.09.2020	The Joy of Creation 1	Vikram Damodaran, Futur

Sr.	Date	Podcast	Speaker(s)
16	07.10.2020	The Joy of Creation 2	Vikram Damodaran, DIAGEO India
17	16.10.2020	The Design Outlook	Narendra Ghate, Tata Elxsi
18	21.10.2020	Get Wise to Advertise	Ambareesh Chakraborty, RK Swamy BBDO
19	28.10.2020	The Design Medley	Sudhir Sharma, Indi Design
20	04.11.2020	Using UX for CX	Monica Deshpande, Capgemini
21	11.11.2020	Designing Customer Trust	Rohan Verma, Urban Company
22	18.11.2020	Blending Business and Design	Sudhindra Venkatesha Murthy, IBM iX
23	25.11.2020	Empathy in Digital Era	Sauvik Banerjee, Tata Digital
24	09.12.2020	International Day of Banks	Nivedita Chandra, Deutsche Bank
25	09.12.2020	Delivering Customer-centric Experiences	Biju Damodharan, Amazon
26	16.12.2020	The Crux of User-Centred Design	Gaurav Mathur, Myntra
27	23.12.2020	Add to Cart - Inclusive Design	Ramesh Kozhissery, Walmart Global Tech
28	30.12.2020	Decoding Visual Communication Strategy	Rupambika Khandai, EY
29	07.10.2020	Crafting Curiosity	Udhaya Kumar Padmanabhan, Designit
30	16.10.2020	The Window of Design	Deepak Menon, Microsoft

Sr.	Date	Podcast	Speaker(s)
31	20.01.2021	Symphonizing Technology for Customers	Swamy Seetharaman, CRED
32	27.01.2021	The Cloud of Creative Thinking	Prabhat Mahapatra, Adobe Design Lab
33	03.02.2021	Unveiling Culture Design	Parameswaran Venkataraman, Fractal Analytics
34	10.02.2021	The Secret Spell of Design	Ujjwal Varma Pinnamaraju, OnePlus India
35	14.02.2021	Valentine's Day Special with Lara Mendonça	Lara Mendonça, Bumble
36	25.02.2021	Gearing Automotive Industry	Pratap Bose, Tata Motors
37	04.03.2021	The Equity of Empathy	Ritesh Rajan, Edelweiss Financial Services Limited
38	10.03.2021	Women's Day special	Riya Thosar, SAP
39	17.03.2021	Branding Digital Life	Jose Barrera, Jio
40	17.03.2021	Endearing Empathy	Azmina Poddar, Boston Consulting Group
41	24.03.2021	Return on Experience	Tim Kobe, Eight Inc
42	31.03.2021	Unifying Science in Design	Navneet Nair, PhonePe
43	07.04.2021	Creating Future of Design	Debayan Mukherjee, Samsung Electronics
44	14.04.2021	Designing Pixels to Designing Careers	Sandeep Karmarkar, Nutanix
45	21.04.2021	The Experience Webisode	Priyank Sharma, MX Player and MX TakaTak

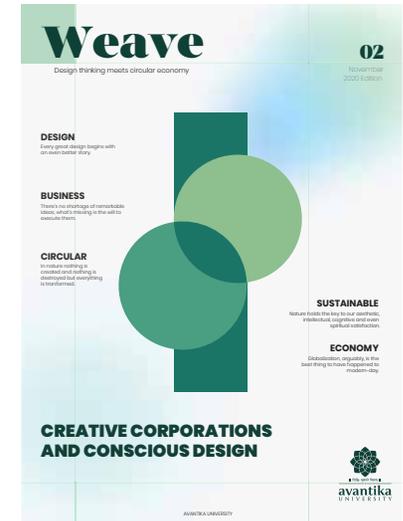

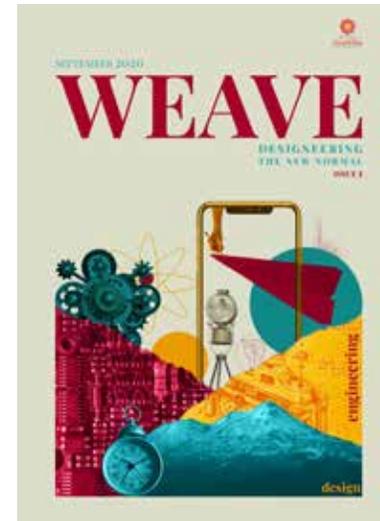

Sr.	Date	Podcast	Speaker(s)

WEAVE Magazine

The university launched a digital magazine — WEAVE on 11th September 2020. The magazine aims to integrate the worlds of design, technology, and business and inspire the readers: working professionals, leaders, and enthusiasts, who do something truly innovative, and 'DESIGNEER' their path to success.

By welcoming authors from varied domains of the corporate world, and geographies, the magazine curates well-rounded pieces of writing in the form of views, opinions, trends, and experiences. This is a completely student-led initiative and aspires to bring forth the Designeering practitioners bolstering that the lucrative innovation and epiphanies take place when the design is weaved into the various domains.

The following are the issues launched in 2020-21.

Infrastructure and Facilities

Workshop

The Workshop at the university is a well-equipped cluster of distinctive workstations where the learners give form to their ideas. With practical-based learning spread across all programs, the workshop acts as the central point of students' academic indulgence giving shape to their projects. The various shops boast of state-of-the-art machinery and skilled manpower support making it one of its kind precinct for varied spheres of design, manufacturing, and fabrication.

Wood Shop

The Wood Shop is a place where the students explore the fundamentals of woodwork and carpentry getting deep insight into the use of Timber. Students make use of hand and power tools to develop various joineries and products by performing planning, sawing and chiselling operations. The Wood Shop includes Wood Lathe, Band Saw, Jig Saw, Single Bevel Mitre, Surface Planer Cum Thickness Wood Planer.

Metal Shop

The Metal Shop is a place where the students explore working with metal to design, develop and fabricate various products through operations like Cylindrical Turning, Step Turning, Taper Turning, Facing, Cutting, Milling, Chamfering, Drilling, Reaming. The Metal Shop includes Lathe Machine, Milling Machine, Drilling Machine, Bench Grinder, Pipe Bending Machine, Metal Cutter 1100W, Metal Shear 1.6, Nibbler 1.6, and Kit of Forming tools etc.

Welding Shop

Welding Shop is a place where the students perform arc welding fusion processes for joining metals. The different operations practiced by students in Welding Shop are Position Welding, Butt Welding, Lap Welding, Spot Welding, etc. The Welding Shop includes ARC+ Tig Welding Machine with safety equipments.

Fitting Shop

The Fitting Shop is a place where the students refine their products to achieve desired shapes, size and accuracy, through various finishing operations such as marking, filing, chipping, sawing, scraping, drilling, reaming, tapping, threading and grinding etc. The Fitting Shop includes, Machine Vice, Bench and Hand Drill Machine, Angle Grinder 540W with Angle Polisher Attachment, and various files etc.

Plastic Shop

Plastic Shop is a place where students learn to turn plastic into permanent objects such as protective covers by identifying and acquainting with suitable materials. Students learn to design wood, machined aluminum molds, which are used to develop different shapes with the use of vacuum forming machines.

Paint Shop

The Paint Shop is a place where students give surface treatment to their prototypes or models with the aim to give a final finish to their products. Students work with water and solvent-based paints, varnishes, various surface treatment agents, oils and waxes for this process using paint spraying booths.

FAB Lab

The FAB Lab at the university is a state-of-the-art lab consisting of high-end digital fabrication and manufacturing machinery consisting of an array of flexible computer-controlled tools, that cover several different length scales and various materials, with the aim to make “almost anything” and cater a platform for new ideas and innovation.

Equipments

- Laser Cutting/ Engraver 3x2 for Non-ferrous materials
- NC Mini Mill Machine Bench Top Model (MDX 540 A 3D, 4 AXIS)
- CNC Router Machine for soft metal, plastic, wood
- Thermocol Cutting Machine (Hot Knife)
- 3D Printers
- Vinyl Cutter/ Plotter Machine

Technology on Campus

The technology on campus at the university has created a niche for itself in the area around. The fabric of technologies provides a highly flexible, connected environment for learning and support services; and continuously deliver personalized student and faculty experiences — both on-campus and online.

Turing – The Computer Center

Turing is the Computer Center at the university. The center boasts of high-ended computer systems and printers such as:

- Intel Core i7 Personal Computers with 24 Inch display, 8GB RAM, 1 TB HDD, Nvidia Ge force Graphics Card 4GB RAM, and Windows 10 Professional
- iMac - i5 Personal Computers with 27 Inch Display, 8GB RAM, 1 TB HDD, and Mac OS Sierra 10.12.5
- Multi-Function SHARP-Colour Printer
- 44-inch HP Design Jet Pro Postscript Printer (Plotter)

ICT

The Campus has a three-layer hierarchical model of ICT Infrastructure designed by Cisco Systems (Networking Hardware Company) and implemented by Dimension Data (Global Partnership with Cisco for more than 25 Years). The three-layer ICT Network Infrastructure benefits in better performance, management, scalability, reliability and redundancy in campus.

- Ethernet Connection: 100 MBPS
- Three Wireless Networks namely Ashoka, Kalidas, and Vikramaditya

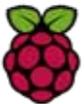

EdTech Tools and Applications

Campus Services

Academic Softwares

One of the select few

Universities in India

QS I-GAUGE E-LEAD Certified

The best practices in making technology more integral to all our learning environments, rapid transition to online learning, and digital learning excellence.

Library

The Library at the university is a state-of-the-art knowledge resource center boasting digital and print resources in sync with global standards. The library infrastructure works on a digital interface called 'Koha' which enables access to the diverse range of resources anywhere and anytime.

- Integrated Library Management System - Koha
- Web OPAC
- Online Resource Centers: DELNET, NDL, NPTEL, NDSCL, E-PG Pathshala, Vidya-mantra, Vidwan, and Online Vivekananda Library
- Open Access E-Resources: E-Journals, E-Books, E-Newspaper, E-Magazines, E-Thesis, E-Dictionaries, and E-Thesaurus
- Matheworld, MIT-OCW, OER Commons
- Collection of 1500+ documents
- 4000+ full text and abstracting journals
- Reference book collection includes Bibliographies, Dictionaries, Encyclopaedias, Reference tools, Handbooks, Guidebooks, Year books and all Government Publications (Bulletins and Standers)
- Newspapers and Magazines

Health Center

Medical Facilities

- Free of cost first-aid and medical consultation facility at campus
- 24x7 availability of Doctor
- 24x7 availability of Ambulance
- Availability of Phlebotomist (on call)
- La Carte Medicine Delivery facility
- Star Health Medical and Accidental Insurance

Medical Tie-ups

- **Tejankar Health Care and Research Centre**
86, Vishwavidyalaya Marg, Madhav Club Road, Ujjain, MP
- **CHL Hospital**
Indore Road, near Hotel Shanti Palace, Nanakheda, Ujjain, MP
- **Lifeline Medicos**
Near Samay Hotel, Freeganj, Ujjain, MP

Campus Amenities

- Cafeteria and Refectory
- Tuck Shop
- Gym
- Indoor and Outdoor Sports
- Banking Facility
- 24x7 Medical Facility with Ambulance
- 24x7x365 Online Psychological Expert Support and Personal Counseling
- Student Lounge
- Amphitheatre
- Recreation Rooms
- Music Center
- Stationery Store
- Printing and Reprographic Store
- Laundry Service
- Study and Discussion Rooms
- LAN Point and WiFi
- Free Shuttle Bus Facility to Ujjain

Upcoming Year

- Expand the academic portfolio with the launch of new programs and specializations around trans-disciplinary models in Design, Fine Arts, Engineering, Management, Commerce, and Liberal Arts.
- Initiate the PhD program in the interdisciplinary and multidisciplinary domains of Design, Engineering, and Liberal Arts.
- Intensify the effective use of Canvas LMS and integrate appropriate tools resulting in a more comprehensive learning experience.
- Strengthen the integration of technology platforms and tools to automate and simplify the processes enabling an omni-channel experience.
- Initiate Career Readiness Program and Services, including a dedicated Placement portal to augment the employability skills and ensure a more connected experience.
- Create cross-faculty, interdisciplinary research teams based on individual faculty strengths to address problems of interest and relevance.
- Energize the formation of interdisciplinary research centers in high potential areas like Cyber-Physical Systems, Business Intelligence, Cognitive Science, Sustainable Design, and the like.
- Promote the Design Center for consultancy assignments, design service, and professional projects.
- Create an Office of Alumni Engagement to harness alumni as advocates and ambassadors, and launch an Alumni portal for interactions and engagement.
- Strengthen the networks with academia, industry, and research institutions to augment the teaching, learning, research, and development activities.
- Enhance the quality of the workplace experience with improved communication and employee engagement.
- Initiate steps towards sustainability and instill the values of socially, economically, and environmentally responsible citizenship.

Leadership

■ Founder

Prof. Vishwanath D. Karad

Founder, Executive President and Managing Trustee, MAEER's MIT Pune

"Taking a nod of learnings from Indian culture, Avantika aims to provide the most inspiring learning environment that stresses on the all-round development of an individual.

■ Executive Director

Dr. Sunil Karad

Executive Director and Trustee, MIT Group of Institutions, Pune

"The objective of Avantika is to change the perspective about higher education and to create change makers who can transform the society at large."

■ Chancellor

Prof. Sanjay Dhande

Former Director - IIT Kanpur

“Avantika is essentially a community of learners, harboring the belief that there is always more to know and discover. We’re open to changes and challenges, and in the perpetual pursuit of ideas that spark innovation.”

■ Pro Chancellor

Prof. Dhimant Panchal

Formerly with NID and MIT-ID, Pune

“Avantika, in essence, aims to break free from the traditional boundaries of long-followed educational methodologies. The liberal approach to learning at Avantika will groom holistic individuals with a broad perspective and interdisciplinary skill set. Education at Avantika will advocate passion for learning, creating and innovation.”

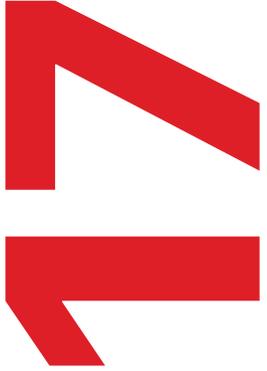

■ Vice Chancellor

Prof. Prasheel Suryawanshi

SMIEEE, MIET, FIETE, FIE, MINS

“Avantika aspires to provide comprehensive education by which creative and analytical strength of mind are increased, in-depth intellect is expanded, and all-round character is formed, leading to the holistic development of an individual.”

Student Council

The Student Council maintains the primary responsibility for all student interests and involvement at the university. The Student Council Body is elected by, and for, students. The Council is led by 2 third-year students and 12 representatives, making a total of 14 students. The Council meets at least once a month to discuss the issues raised by the students through their group meetings and ensures the student interests are taken into account in any senior management decision process.

Each year the Student Council brings the students together on campus for a series of celebratory events, multicultural festivals, runs social events, and supports our clubs advocating for the best possible student experience at the university.

**About
Avantika**

Avantika University

Avantika is envisioned as India's first design-centered university that cross-links design thinking and creative spirit with engineering on a solid foundation of liberal education.

The university is poised to create a unique learning center that imparts joyful education to aspiring learners in problem solving. It aims to bring about a paradigm shift in the pedagogy and assessment. The academic structure is intended to not just support professional growth but also develop the students to become innovators and entrepreneurs.

Design Culture

Design is an ethos that inspires learners to think and act on challenges to create meaningful experiences. This spirit is embedded across all programs at Avantika.

How to Learn

Avantika brings about a paradigm shift in pedagogy by empowering students with an approach of HOW to learn instead of WHAT to learn.

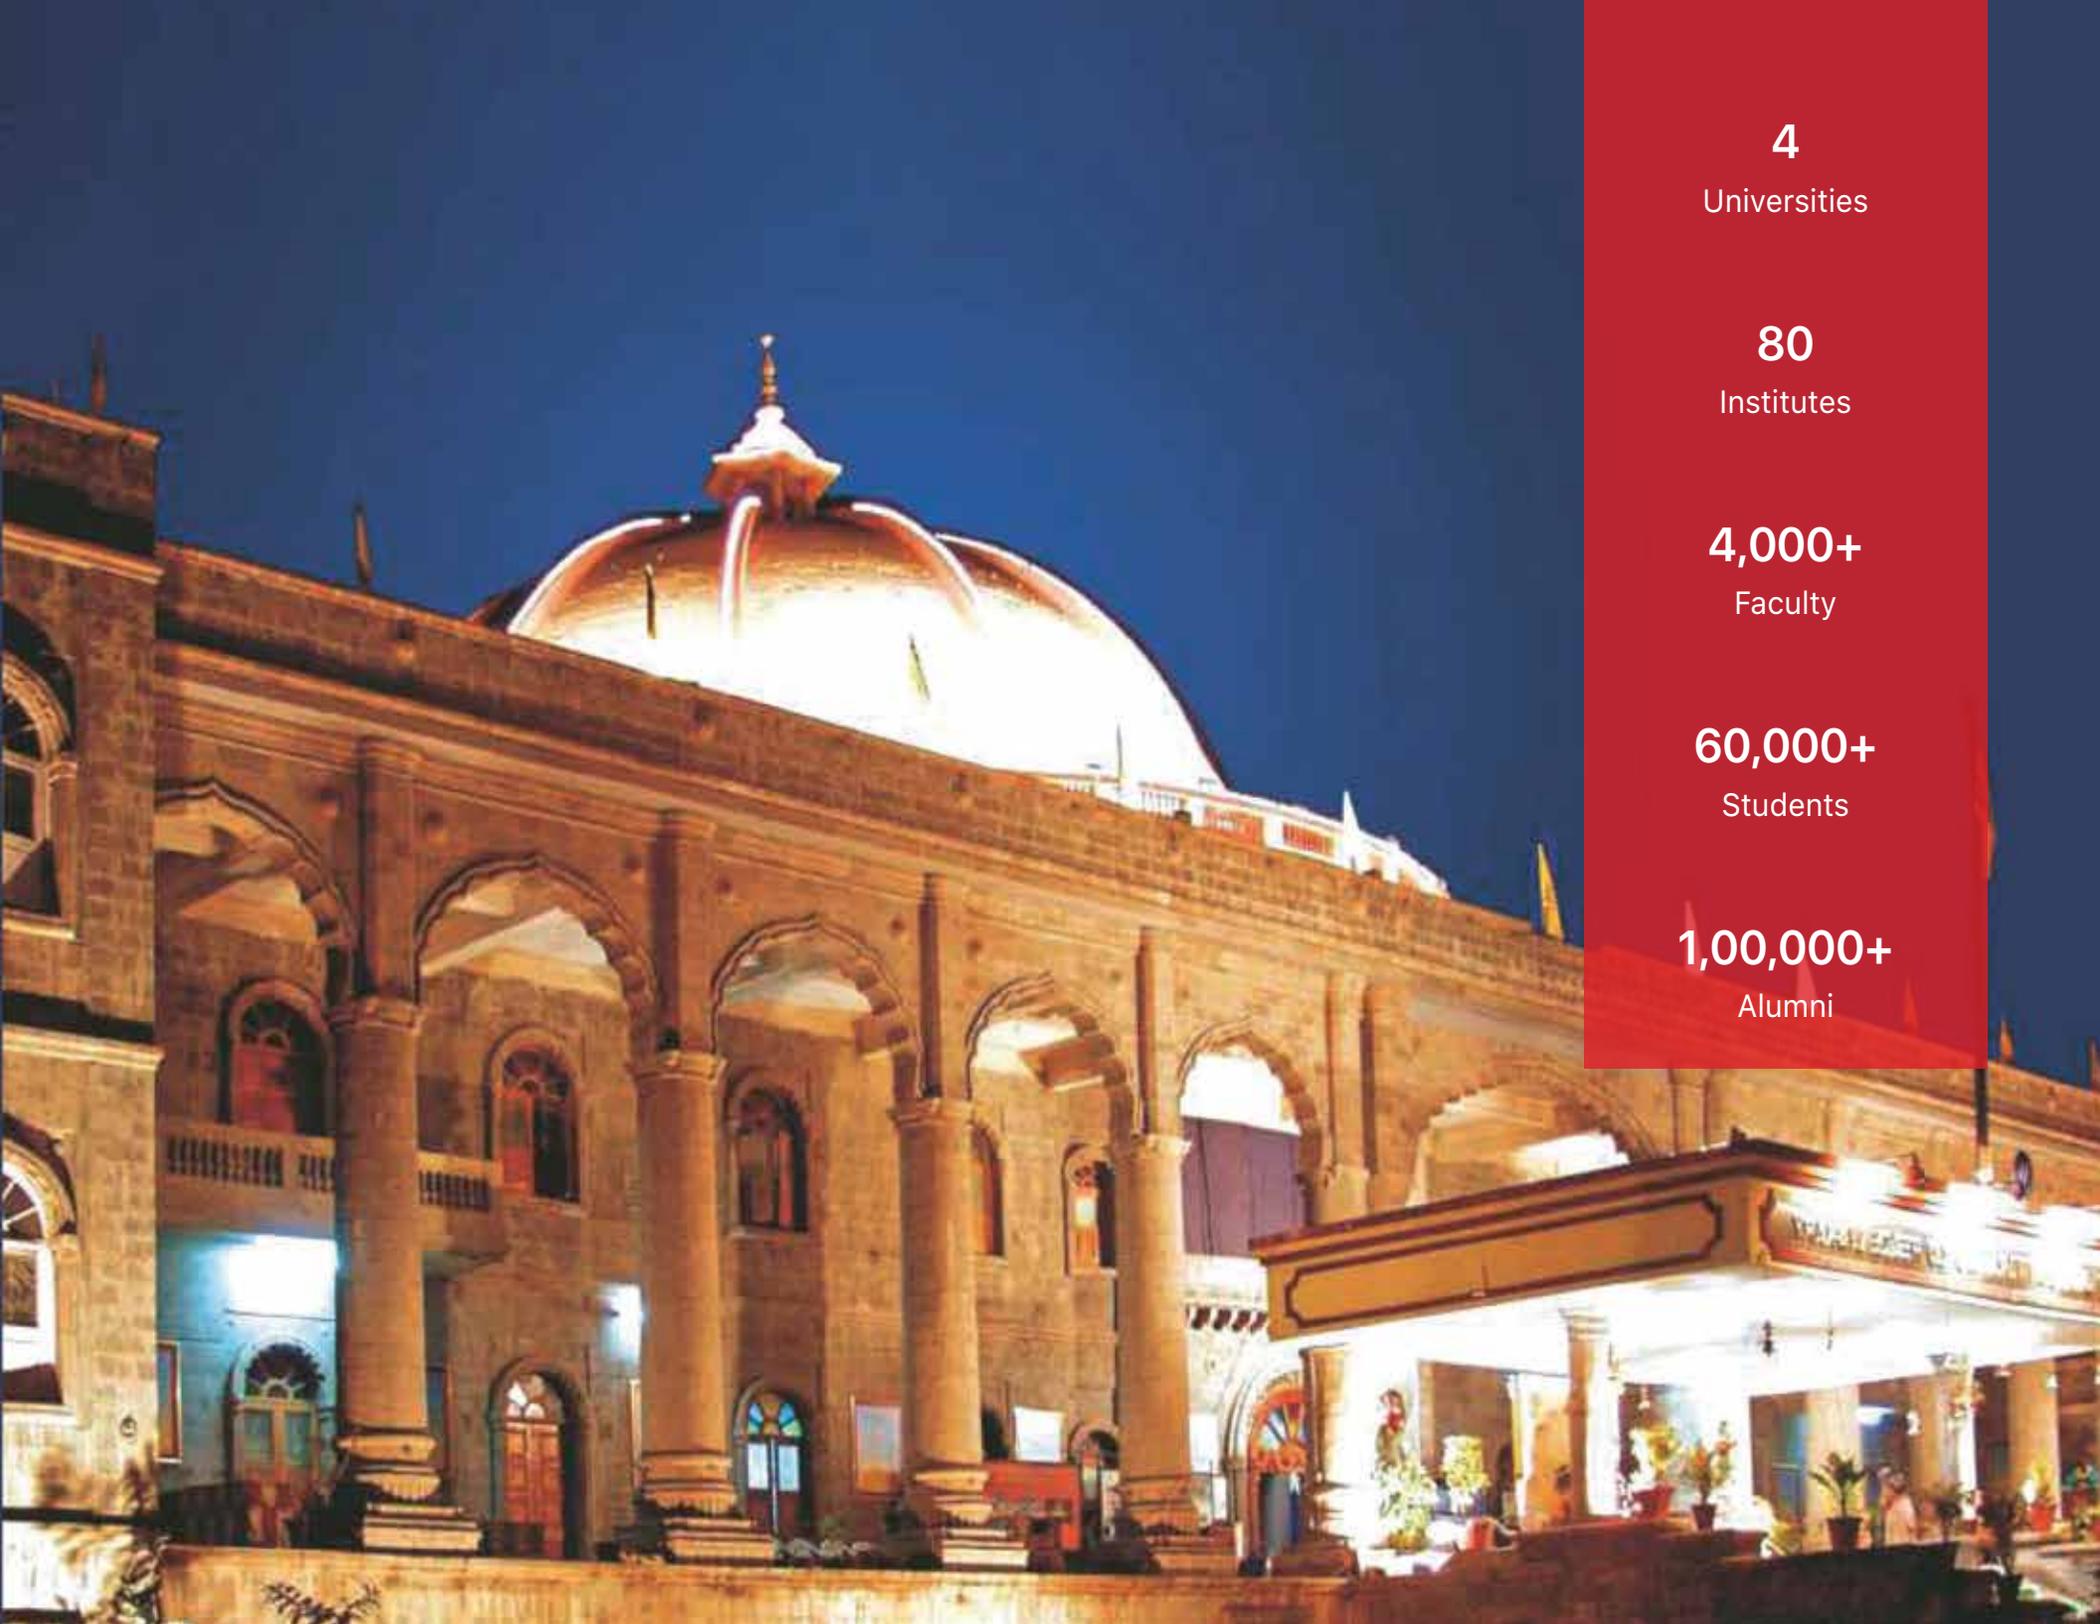

Cross-Disciplinary Approach

Avantika aims to give a holistic view of education by exposing students to multiple disciplines. The academic model blends Design Thinking with other disciplines.

Avantika University is an MIT Pune Campus at Ujjain. Established in 1983, Maharashtra Institute of Technology (MIT) is the first private Engineering Institute to be established in the city of Pune, Maharashtra. MIT Group of Institutions is a multi-disciplinary, multi-locational center of excellence that has contributed towards the industrial, economic, and social growth of the society for over three decades, and has helped realize the dreams and aspirations of thousands of students. The group has spread its wings across Maharashtra with campuses in Kothrud, Alandi, and Loni - Kalbhor within Pune, along with Latur, Talegaon, Ambejogai, and Pandharpur.

- Established in 1983
- Presence across primary, secondary and tertiary education
- Students from across India and Globe
- 10+ Campuses in Maharashtra | Madhya Pradesh | Meghalaya

Alumni

In the Avantika logo, the Lotus symbolizes potential and in its fully blossomed form represents enlightenment and awareness. The flower is deeply rooted in Indian culture, particularly associated with Saraswati - the Goddess of Wisdom.

The transdisciplinary approach is represented through the confluence of sections, implying an immersive learning experience. The transition of colors represents evolution of an individual at Avantika University.

The identity reflects transformation and it is the knowledge (Vidya) that takes us through this transformation and leads us to accomplishment (Siddhi).
